Note: If your doctor prescribes a medication that is not on your plan's preferred list, yet an alternative plan-preferred drug exists, we may contact your doctor to ask whether that medication would be appropriate for you. You'll usually pay less for a plan-preferred drug.

## Take a medication every day? Your benefit gives you a choice.

For maintenance medications, such as those used to treat high blood pressure or high cholesterol, choose the option that best suits your needs.

### Home delivery from the Express Scripts Pharmacy<sup>SM</sup>

Up to a 90-day supply, delivered to your home, with free standard shipping.<sup>1</sup>

You'll typically pay less for a larger supply of medication.

Enroll in automatic refills, or easily refill orders on our website, with the Express Scripts app, or by phone or mail.

OR

### A retail pharmacy in your plan's network

Up to a 90-day supply that you pick up.

Usually higher costs compared to the same supply via home delivery.

Refills at the pharmacy or over the phone.

If you need specialty medicines, you must order them through Accredo by visiting online at [accredo.com](http://accredo.com) or, per your plan, you'll pay the entire cost at retail.

For complete details about your prescription benefit or to transfer a retail prescription to home delivery, visit [express-scripts.com/welcome](http://express-scripts.com/welcome) or call us at the number on your new ID card.

<sup>1</sup> Cost of standard shipping is included as part of your prescription benefit.
