ELIGIBILITY INFORMATION

When You Retire

You must complete your enrollment and submit all documentation within 30 days of your retirement.

Important Note

Eligible Retirees can only elect coverage at the time of retirement. If you waive Retiree coverage when you are first eligible or drop the plan at a later time, you will not be able to re-enroll in the Trust's plans. You can add eligible family members during Open Enrollment or after a Qualified Life Event as long as you are enrolled in the plan as the eligible Retiree.

You are eligible to enroll in the Trust's plans if you fit the following criteria:

Retiree

- Eligible Retirees includes those who retired in a position covered by any collective bargaining agreement between the City of Jacksonville and FOP or IAFF who has at least 20 years of service or obtained disability retirement. Eligible Retirees also includes a surviving spouse, surviving dependent, or anyone otherwise entitled to the eligible Retiree's survivor benefits.

Spouse Coverage

- Spouse, by legal marriage.

Dependent Child Coverage

- Children under the age of 26.
- Children over the age of 26 through the end of the month in which they turn 30 who are:
 - Unmarried
 - Have no dependents of their own
 - Is dependent on the Employee or Retiree for financial support
 - Not offered coverage through another group or individual plan
 - Not entitled to benefits under Title XVIII of Social Security Act
 - Resident of FL or is a full or part-time student

Disabled Dependents

- Children who become disabled before age 26 and rely on you for support are eligible for health coverage. Contact JPOFFHIT Benefits Support if this applies to you.

Newborn Medical Coverage

- Newborn children of a covered family member other than a spouse (such as grandchildren) are eligible for medical coverage until they reach 18 months as long as the child's parent remains covered.

MAKING CHANGES TO COVERAGE

Eligible Retirees can elect coverage for themselves and eligible family members at the time of retirement and those elections continue through the plan year. You can make changes to your plan mid-year if you experience a Qualified Life Event (QLE). You may add or drop applicable dependents to your existing plan as part of the QLE. You cannot re-enroll yourself in coverage if you waive or drop the plan at any time. You can only change your plan if you move out of the service area. You will be required to furnish documentation of the change within 30 days of the event. Supporting documentation must contain the reason for the change, the date of the event and the family members who are affected by the event.

Examples of Qualified Life Events include:

- Birth, adoption, legal guardianship or placement for adoption.
- Marriage, divorce or annulment.
- Death of a dependent.
- Gain of other creditable coverage for spouse or dependent.
- Loss of other creditable coverage for spouse or dependent.

Qualified Life Event requests and supporting documentation must be submitted online via JPOFFHIT's benefits enrollment site within 30 days of the date of the life event. To submit your supporting documentation:

1. Visit to jpoффhit.org/enroll
2. Click or tap the red "Login to Your Account" button.
3. Login to the enrollment site using your email address and password. If you don't remember your login credentials, click the "Forgot Password" link.
4. Choose the reason for the change and the effective date.
5. Documentation can be uploaded to the site directly or emailed to questions@jpoффhit.org

If you do not request the change in the enrollment site or do not provide the documentation within 30 days, you will have to wait until the next open enrollment to add or drop your dependents. Changes to your elections are governed by the Section 125 Plan.

Important Notice About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with your employer and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Jacksonville Police Officer and Fire Fighter's Health Insurance Trust has determined that the prescription drug coverage offered by the health plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Employer's coverage will not be affected. You can keep this coverage if they elect part D and this plan will coordinate with Part D coverage. For those individuals who elect Part D coverage, coverage under the entity's plan will not end for the individual and all covered dependents. If you do decide to join a Medicare drug plan and drop your current Employer's coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with your employer and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

17	CONTACT INFORMATION

For More Information About This Notice Or Your Current Prescription Drug Coverage:

Contact your Plan Administrator listed on the back of this booklet. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through your employer changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section.

However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health & Cancer Rights Act of 1998 (WHCRA) Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for: all stages of reconstruction of the breast on which the mastectomy was performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; prostheses; and treatment of physical complications of the mastectomy, including lymph-edema. These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your medical carrier.
