

Memberships with Peerfit

After purchasing a membership through your Peerfit dashboard, simply **check in at the time of your workout** to keep your monthly gym membership active.

Here's How it Works— Mobile Web Browser

- 1 Sign into your Peerfit account.
- 2 If you haven't purchased a membership yet, search for your gym on the **Search Studios** screen.
 - Click on the **Purchase** button to get your membership.
- 3 Click **Check In** on the active membership you wish to use.
- 4 The web app will ask permission to use your location if you are at the gym currently.
 - If you choose to not allow permission or are not currently at the gym, you can choose to **check in manually** using the provided link.
- 5 Confirm your location and then click **Confirm and Check In**.
- 6 Your check in will be logged with the system, and **you're free to use the gym**.

Check In: Mobile App

- 1 When you arrive to work out, open the Peerfit app on your phone and tap **Upcoming** on the bottom menu.
- 2 Tap **Memberships** to access your active memberships.
- 3 Tap **Check In** on the corresponding membership.
- 4 Tap **Allow** to give the app access to your location.
- 5 Confirm your location is correct and tap **Confirm and Check In**.
