## HOW TO USE YOUR BENEFIT BOOKLET

---

This is your Benefit Booklet (“Booklet”). It describes your coverage and benefits for Health Care Services, as well as the limitations and exclusions that apply, under the Group Health Plan (“Plan”) established and maintained by Jacksonville Police Officers and Fire Fighters Health Insurance Trust. Your Plan is self-funded; this means that benefits for Covered Services under the Plan will be paid either directly from the Group’s general assets or a combination of its general assets and contributions made by Covered Plan Participants. The benefits provided under the Plan are not guaranteed or insured by an insurance company or by Health Options, Inc. (“HOI”).

The sponsor of your Plan has contracted with us under an Administrative Services Agreement (“ASA”), to provide certain third party administrative services, including claims processing, customer service, and other services and access to our Health Maintenance Organization (“HMO”) Provider network. HOI provides certain administrative services only and does not assume any financial risk or obligation with respect to Health Care Services rendered to you or claims submitted for processing under this Booklet for such Services. The payment of claims under the Plan depends exclusively upon the funding provided by Jacksonville Police Officers and Fire Fighters Health Insurance Trust.

You should read it carefully before you need Health Care Services. It contains valuable information about:

- your BlueCare benefits;
- what is covered;
- what is not covered;
- coverage and payment rules;
- how and when to file a claim and under what circumstances the Plan will pay;
- what you will have to pay as your share; and
- other important information including when benefits may change; how and when coverage stops; how to continue coverage if you are no longer eligible; how benefits will be coordinated with other policies or plans; our subrogation rights of the Plan; and it's right of reimbursement.

If your benefits under this Plan are subject to the Employee Retirement Income Security Act of 1974 (ERISA), you should also read the Group’s Summary Plan Description (SPD) for further important details concerning your rights and responsibilities under the Plan.

Refer to the Schedule of Benefits to determine how much you have to pay for particular Health Care Services.

**When reading your Booklet, please remember:**

You should read this Booklet in its entirety in order to determine if a particular Health Care Service is covered. Certain coverage information may be provided in the form of an Endorsement to this Booklet, if so, an Endorsement will either be inserted after the section that it modifies, or at the end of the Booklet. Be sure to always check for these additional documents before making benefit decisions.

The headings of sections contained in this Booklet are for reference purposes only and shall not affect in any way the meaning or interpretation of particular provisions.

References to “you” or “your” throughout refer to you as the Covered Plan Participant and to your Covered Dependents, unless expressly stated otherwise or unless, in the context in which the term is used, it is clearly intended otherwise. Any references, which refer solely to you as the Covered Plan Participant or solely to your Covered Dependents will be noted as such.

References to “we”, “us”, and “our” throughout refer to Health Options, Inc. We may also refer to ourselves as “HOI.”

If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. If the word or phrase has a special meaning, it will either be defined in the DEFINITIONS section or within the particular section where it is used.

Drugs or Supplies covered as Preventive Services are described in the Medication Guide. In order to be covered as a Preventive Health Service under this section the Service must be provided as described in the Preventive Services Guide or, for Drugs and Supplies, in the Medication Guide.

**Note:** From time to time medical standards that are based on the recommendations of the entities listed in numbers 1 through 4 above change. You may select any licensed Physician who practices medicine within the Service Area to render the second medical opinion, but will need to ask your PCP or an In-Network Specialist to get an authorization from us before you receive the Services. However, you should know that your Cost Share amount for Services rendered by an In-Network Provider (usually a set Copayment) for a second medical opinion will be lower than those rendered by an Out-of-Network Provider. When you use an Out-of-Network Provider for a second medical opinion your Cost Share will be a percentage of the Allowed Amount, which may be less than the Out-of-Network Provider charges for such Services. ## MEDICAL NECESSITY

---

In order for Health Care Services to be covered under this Booklet, the Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as determined by us and/or the Group and defined in this Booklet. **As a self-funded plan, Jacksonville Police Officers and Fire Fighters Health Insurance Trust is ultimately responsible for determining whether expenses incurred for medical care are covered under this Booklet. However, it is important to note that under our ASO Agreement; Jacksonville Police Officers and Fire Fighters Health Insurance Trust has asked us to use our Medical Necessity criteria and guidelines currently in effect.**

It is important to remember that any time we review Services for Medical Necessity it is solely for the purpose of determining coverage, benefits or payment under the terms of this Booklet and not for the purpose of recommending or providing medical care. Any Reviews conducted for Medical Necessity, may require review of specific medical facts or information about you. Any such review, however, is strictly for the purpose of determining whether the Service provided or proposed meets the definition of Medical Necessity in this Booklet. In applying the definition of Medical Necessity to a specific Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and that of your treating Providers. You and your Providers are responsible for deciding what medical care you should have and when that care should be provided. HOI and the Group are solely responsible for determining whether expenses incurred for that medical care are covered under this Booklet. In making coverage decisions, neither HOI nor the Group will be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

The following are a few examples of hospitalization and other Services that are not Medically Necessary:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home, is not available or is inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department or at home with Home Health Care Services);  
or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.

**Note:** Whether or not a Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Service does not mean that the Service is Medically Necessary (as determined by us and defined in this Booklet) or a Covered Service. You are free to obtain a Service even if coverage is denied because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service. Please refer to the DEFINITIONS section for the definition of "Medically Necessary or Medical Necessity".

## YOUR SHARE OF HEALTH CARE EXPENSES

---

This section explains what your share of the health care expenses may be for Covered Services you receive. Since not all plans include all the different types of Cost Shares explained in this section, it is important that you refer to your Schedule of Benefits to determine your share of the cost with regard to Covered Services.

### **Deductible**

#### **Individual Deductible**

This amount, when applicable, must be satisfied by you and each of your Covered Dependents each Benefit Period, before any payment will be made by the Plan. Only those charges indicated on claims received for Covered Services will be credited toward the individual Deductible and only up to the applicable Allowed Amount.

#### **Family Deductible**

If your plan includes a family Deductible, after the family Deductible has been met by your family, neither you nor your Covered Dependents will have any additional Deductible responsibility for the remainder of that Benefit Period. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward the individual Deductible, if applicable.

#### **Hospital Per Admission Deductible**

The Hospital per admission Deductible, when applicable, must be satisfied by you for each Hospital admission before any payment will be made by the Plan for any claim for inpatient Services. The Hospital per admission Deductible applies regardless of the reason for the admission.

### **Copayments**

Covered Services rendered by certain Providers or at certain locations or settings may be subject to a Copayment. This is the dollar amount you have to pay when you receive these Services. Please refer to your Schedule of Benefits for the specific Covered Services that are subject to a Copayment. Listed below is a brief description of some of the Copayment requirements that may apply to your plan. In some cases, when the Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you may be responsible for the lesser of the Allowed Amount or the Provider's actual charge for the Covered Service.

#### **Office Services Copayment**

The Copayment for Covered Services rendered in the office must be paid by you, for each office visit before any payment will be made by the Plan. The office Services Copayment applies regardless of the reason for the office visit and applies to all Covered Services rendered during that visit, with the exception of Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Office Services Copayment, as set forth on your Schedule of Benefits.

#### **Inpatient Facility Services Copayment**

The Copayment for inpatient facility Services, if applicable to your plan, must be satisfied by you, for each inpatient admission to a Hospital, Psychiatric Facility, or Substance Abuse Facility, before any payment will be made by the Plan for any claim for inpatient Covered Services. The Copayment for inpatient facility Services, if applicable to your plan, applies regardless of the reason for the admission, and applies to all inpatient admissions unless your Schedule of Benefits states otherwise. Additionally, you may be

responsible for out-of-pocket expenses for Covered Services provided by Physicians and other health care professionals while you are an inpatient.

### **Outpatient Facility Services Copayment**

The Copayment for outpatient facility Services, if applicable to your plan, must be satisfied by you, for each outpatient visit to a Hospital, Ambulatory Surgical Center, Independent Diagnostic Testing Center, Psychiatric Facility or Substance Abuse Facility, before any payment will be made for any claim for outpatient Covered Services. The Copayment for outpatient facility Services, if applicable to your plan, applies regardless of the reason for the visit. Additionally, you may be responsible for out-of-pocket expenses for Covered Services provided by Physicians and other healthcare professionals while using these facilities

**Note:** Copayments for outpatient facility Services may vary depending on the type of facility chosen and the Services received. Please see your Schedule of Benefits for more information.

### **Emergency Room Facility Services Copayment**

The Copayment for emergency room facility Services, if applicable to your plan, applies regardless of the reason for the visit, is in addition to any applicable Coinsurance amount, and applies to emergency room facility Services in or outside the Service Area. The Copayment for emergency room facility Services, if applicable to your plan, must be satisfied by you for each visit. If you are admitted to the Hospital as an inpatient at the time of the emergency room visit, you will pay the Cost Share that applies to inpatient facility Services as indicated on your Schedule of Benefits.

### **Coinsurance**

All applicable Deductible amounts must be satisfied before the Plan will pay any portion of the Allowed Amount for Covered Services. For Services that are subject to Coinsurance, the percentage of the applicable Allowed Amount you are responsible for is listed in your Schedule of Benefits.

### **Special Calculation Rule for Capitated Providers**

We typically pay In-Network Providers for Covered Services provided to you based upon that Providers' negotiated Allowed Amount with us. This form of payment to Providers is called "fee-for-service." In these circumstances, the amount you are responsible for paying for Covered Services will be based upon our actual Allowed Amount negotiated with the rendering Provider and will be credited toward applicable Deductibles and out-of-pocket maximums and/or used to calculate your Coinsurance.

In other circumstances under the agreements we have with In-Network Providers we may pay a set monthly amount per individual to cover the cost of providing Covered Services to you, whether or not care is actually provided during the month. This form of payment is called "capitation." In these instances, when you receive Covered Services from such a Provider, the amounts you are responsible for paying and the applicable credit toward any Deductible or out-of-pocket maximums may be, as determined by us, based upon the amounts we could have paid for such Covered Services to an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitation basis (based on our Allowed Amounts then in effect for such Covered Services). Similarly, in these instances, the amounts you will owe for Coinsurance may be calculated, as determined by us, utilizing the amounts we could have paid an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitated basis (based upon our Allowed Amounts for such Covered Services). The comparison form of payment utilized for this purpose, in the case of such a same or similar In-Network Provider, is fee-for-service payment. Further, in those circumstances where services provided were paid on a capitation basis but such Provider may be paid fee-for-service by us for the same or similar services for other individuals, we may utilize the fee-for-service amounts for such same or similar services when calculating the credits toward applicable Deductibles and out-of-pocket maximums and/or use such fee-for-service amounts to calculate your Coinsurance.

## **Out-of-Pocket Maximums**

### **Individual Out-of-Pocket Maximum**

Once you have reached the individual out-of-pocket maximum amount listed in your Schedule of Benefits, you will have no additional out-of-pocket responsibility for the remainder of that Benefit Period and the Plan will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period.

### **Family Out-of-Pocket Maximum**

If your plan includes a family out-of-pocket maximum, once your family has reached the family out-of-pocket maximum amount listed in your Schedule of Benefits, neither you nor your covered family members will have any additional out-of-pocket responsibility for Covered Services for the remainder of that Benefit Period and the Plan will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period. The maximum amount any one Covered Person in your family can contribute toward the family out-of-pocket maximum, if applicable, is the amount applied toward the individual out-of-pocket maximum. Please see your Schedule of Benefits for more information.

**Note:** The Deductible, any applicable Copayments and Coinsurance amounts will accumulate toward the out-of-pocket maximums.

## **Prior Coverage Credit**

You will be given credit for the satisfaction or partial satisfaction of any deductible and coinsurance maximums met by you under a prior group, blanket, or franchise insurance or group Health Maintenance Organization (HMO) policy maintained by Jacksonville Police Officers and Fire Fighters Health Insurance Trust if this Plan replaces such a policy. This provision only applies if the prior group, blanket, or franchise insurance or HMO coverage was in effect immediately preceding the Effective Date of this Group Health Plan. This provision is only applicable for you during the initial Benefit Period of coverage under the Plan and the following rules apply:

### **Prior Coverage Credit for Deductible**

For the initial Benefit Period of coverage only under this Group Health Plan, charges credited by the Group's prior policy, toward your deductible requirement, for Services rendered during the 90-day period immediately preceding the Effective Date of this Group Health Plan, will be credited to the Deductible requirement under this Booklet.

### **Prior Coverage Credit for Coinsurance**

For the initial Benefit Period of coverage only under this Group Health Plan, charges credited toward your coinsurance maximum under the Group's prior policy, for Services rendered during the 90-day period immediately preceding the Effective Date of this Group Health Plan, will be credited to your out-of-pocket maximum under this Booklet.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Booklet.

Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group under this Booklet. You and/or the Group are responsible for providing us with any information necessary for us to apply this prior coverage credit.

## Calculation of Cost Share

You can get an estimate on our website at [www.floridablue.com](http://www.floridablue.com), of the Cost Share amount you will have to pay for certain Covered Services, as required under section 641.54 of the Florida Statutes.

## Additional Expenses You Must Pay

In addition to your share of the expenses described above, you are also responsible for:

1. charges in excess of any maximum benefit limitation listed in your Schedule of Benefits;
2. expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage;
3. charges for Health Care Services which are non-Covered Services or excluded; and
4. any contribution amount required by Jacksonville Police Officers and Fire Fighters Health Insurance Trust.

## How Benefit Maximums are Credited

Except as described below, only the amounts actually paid by the Plan for Covered Services will be credited toward applicable benefit maximums. The amounts the Plan pays that are credited toward your Benefit Period maximums will be based on the Allowed Amount for the Covered Services provided. Also see the Special Calculation Rule for Capitated Providers subsection above for more information.

## Surprise Billing

Sometimes you may receive Covered Services from Out-of-Network Providers who will not accept our payment as payment in full. Both federal and state law, in the specific situations described below, prohibit Out-of-Network Providers from balance billing you for amounts over what we pay and require the Out-of-Network Provider to accept our payment for such Covered Services as payment in full. Should you receive a bill for more than your Cost Share (as described below) from the Out-of-Network Provider in these situations, please send that information to us at the address on your ID card and we will attempt to work with the Out-of-Network Provider to appropriately honor their obligation to not balance bill you, if applicable.

### **Out-of-Network Services where I should not be balance billed**

Please note, in the following specific circumstances federal and/or Florida state law prohibits Out-of-Network Providers from balance billing you for receipt of Covered Services.

- **Emergency Services for an Emergency Medical Condition** provided at an Out-of-Network facility to Stabilize you (which may include part or all of an inpatient admission from the Emergency Room of an Out-of-Network Hospital); and
- **Certain non-Emergency Services or ancillary Services** provided by an Out-of-Network Provider at an In-Network facility including but not limited to:
  - Surgery
  - Pathology
  - Hospital Services
  - Anesthesiology
  - Radiology
  - Laboratory Services

**Note:** If the Out-of-Network Provider rendering the non-Emergency Services referenced above has given you the following, in advance: (a) the estimated charges for the Covered Services to be rendered; (b) notice that the Provider is an Out-of-Network Provider; and (c) notice for your approval in writing to the treatment to be rendered by the Out-of-Network Provider, then the Provider may be able to balance bill you and this Surprise Billing subsection will not apply.

- **Air Ambulance Services** if the Services are Covered Services under this Benefit Booklet regardless of whether or not the Services are due to an Emergency Medical Condition.

Please note that an authorization is never required for Covered Services for the treatment of an Emergency Medical Condition. Not all Air Ambulance Services are Covered Services under this Benefit Booklet. Please refer to the Ambulance Services category in the WHAT IS COVERED? section of this Benefit Booklet.

**Facility**, as used above means:

- hospital (as defined in section 1861 of the Social Security Act)
- hospital outpatient department
- critical access hospital (as defined in section 1861(mm)(1) of the Social Security Act)
- an ambulatory surgical center (as defined in section 1833(i)(1)(A) of the Social Security Act)
- and for an Emergency Medical Condition only, an independent freestanding emergency medical department

### **How Much we will Pay Out-of-Network Providers**

Generally, Florida state law prohibits Out-of-Network Providers rendering Covered Services subject to this Surprise Billing section from balance billing you. If section 641.513, Florida Statutes applies, then the Allowed Amount (i.e., the amount we base payment on) will generally be calculated in accordance with the definition within this Benefit Booklet. In certain circumstances, the Allowed Amount will be calculated for Out-of-Network Providers, including all Covered Services rendered by Out-of-Network Air Ambulance Providers, based upon the Median Contracted Rate. The term “Median Contracted Rate” as used here means, generally:

1. The rate that is the median contracted rate for all In-Network Providers for the same or similar item(s) or Service(s) for all plans offered by us:
  - a. in the same insurance market (i.e., individual, small group or large group); and,
  - b. provided in the same geographic region as the Covered Service provided to you.

**Important Note:** The above definition of “Median Contracted Rate” has been simplified here to make it easier to understand. The term “Median Contracted Rate”, as defined by federal law, is complicated. We will calculate the “Median Contracted Rate” more specifically in accordance with the federal law (and regulations then in effect) known as the federal No Surprises Act (H.R. 133, P.L. 116-260).

### **Calculating Your Share of the Cost**

If you receive Covered Services subject to this Surprise Billing subsection, your Cost Share (e.g., Deductibles and/or Coinsurance) will be calculated based upon the Allowed Amount we initially paid the Out-of-Network Provider as described above. Should we decide to pay more, or if the federal Independent Dispute Resolution Process results in us paying the Out-of-Network Provider more, your Cost Share will not change.

Any Cost Share you paid with respect to Covered Services identified in this subsection will be applied toward your In-Network Deductible and out-of-pocket maximum, if applicable. We will provide notice of payment or denial no later than 30 calendar days after receipt of the bill from the Provider.

**Important Note:** It is not a surprise bill when you knowingly choose to go to an Out-of-Network Provider for a planned Service or have signed a consent as noted above, in advance for the Covered Services. In such a case, you are responsible for all charges.

# HEALTH CARE PROVIDER OPTIONS

---

## Introduction

It is important that you understand how the Providers you choose to use for medical care will affect how much you have to pay for medical Services. Under this HMO plan, most Services must be rendered by In-Network Providers in order to be Covered Services. This is true even when the Services you receive are Medically Necessary (except in the case of an Emergency Services for an Emergency Medical Condition). This section explains some special rules for getting Covered Services with certain types of Providers under this Booklet

For information on Pharmacy Provider options, please refer to the Group .

## Provider Participation Status

You are responsible for making sure a Provider is In-Network prior to receiving Services. To find out if a Provider is in our network you can:

1. access the current BlueCare Provider directory on our website at [www.floridablue.com](http://www.floridablue.com); or
2. call the customer service phone number on your ID Card.

## In-Network Providers

### Primary Care Provider (PCP)

The first and most important decision you must make when joining a health maintenance organization is the selection of a PCP for each covered family member. This decision is important since it is through this Provider that all other Covered Services, particularly those of Specialists, are coordinated. You do not need a referral to see your PCP.

### Value Choice Providers

Some Providers, designated by us, may provide Services other than maternity and Medical Pharmacy at a lower Cost Share. The Deductible will be waived for these Services and your Cost Share is lower when they are rendered in the Value Choice Provider's office or Independent Diagnostic Testing Centers designated as Value Choice Providers. The chart below lists the Services included and the Cost Share amounts:

Value Choice Provider Type	Services Included	Cost Share
Dietitian / Nutritionist	Covered Services such as Diabetic Education	\$0

Value Choice Providers are available in certain Florida counties only and not all Services are available at all locations. To find a Value Choice Provider, access our website at [www.floridablue.com](http://www.floridablue.com) and click on "find a doctor" and search for a doctor near you. When using the filter options, click on "Programs" and select "Value Choice Providers".

### Specialist Care

If you need to visit a Specialist, you and/or your PCP may choose any In-Network Specialist.

Your PCP may consult with us regarding coverage or benefits and with the Specialist in order to coordinate your care. This provides you with continuity of treatment by the Physician who is most familiar with your medical history and who understands your total health profile.

You do not need a referral from your PCP to see an In-Network Specialist; however, some Services require an authorization from us before Services are rendered in order to be covered. In-Network Providers are responsible for obtaining authorization.

Below are some special rules for certain types of Providers:

Chiropractors and Podiatrists: Upon your request, a Doctor of Chiropractic or a Doctor of Podiatry who is an In-Network Provider may be assigned to you for the purpose of providing chiropractic Services and podiatric Services, respectively. You shall have access to the assigned Doctor of Chiropractic or Doctor of Podiatry without the need for referrals from your PCP.

Certified Registered Nurse Anesthetist: You have access to anesthesia Services within the scope of a duly licensed Certified Registered Nurse Anesthetist's license if you request such Services, provided such Services are available, as determined by us and are Covered Services under the Plan.

Dermatologists: You may access an In-Network dermatologist for up to five visits each Benefit Period without an authorization. Some Services, such as surgical procedures will require an authorization before the Services are rendered and if you do not have an authorization; the Services will not be covered.

Obstetric and Gynecological Providers: You may access In-Network Providers who specialize in obstetrics or gynecology for obstetric or gynecological care without the need for authorization.

Osteopathic Hospitals: Inpatient and outpatient Services, similar to inpatient and outpatient Services by allopathic Hospitals may be covered at a Hospital accredited by the American Osteopathic Association when such Services are available in the Service Area even when such Hospital has not entered into a written agreement with us for such Services. The Hospital providing these Services may not charge more than their usual and customary rates less the average discount that we have with allopathic Hospitals within the Service Area. You must contact us to get the documents necessary to comply with this provision.

Physician Assistant: You have access to surgical assistant Services rendered by a Physician Assistant only when acting as a surgical assistant. Certain types of medical procedures and other Covered Services may be rendered by licensed Physician Assistants, nurse practitioners or other individuals who are not Physicians.

Specialty Pharmacy: Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

You must use a Specialty Pharmacy to provide these Specialty Drugs. Please refer to the Medication Guide for a list of Specialty Pharmacies.

## **Provider Financial Incentive Disclosure**

Health care decisions are the shared responsibility of you, your family, and your health care Providers. A Provider's decisions regarding Health Care Services may have a financial impact on you and/or the Provider. For example a Provider in his or her contract with us may agree to accept financial responsibility for your Health Care Services. We encourage you to talk to your Providers about how, and

to what extent, the acceptance of financial risk by the Provider may affect his or her Health Care Service decisions.

### **Continuity of Coverage and Care Upon Termination of a Provider Contract Under Federal Law**

Federal law (42 U.S. Code § 300gg –113) provides for continuity of Services for enrollees of health plans when there is a change in the plans' Provider network resulting in a Provider no longer being In-Network for the enrollee's benefit plan. These protections extend to individuals defined as a "Continuing Care Patient" and include patients who are undergoing a course of treatment for:

1. a serious or complex Condition,
  - c. in the case of an acute illness, a Condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm, or
  - d. in the case of a chronic illness or Condition, a Condition that:
    - i. is life-threatening, degenerative, potentially disabling, or congenital; and
    - ii. requires specialized medical care over a prolonged period of time.
2. institutional or inpatient care,
3. a scheduled non-elective surgery including postoperative care.
4. pregnancy; or
5. a terminal illness.

Such patients will have up to 90 days of continued coverage at the In-Network Cost Share to allow for a transition of care to an In-Network Provider.

### **Continuity of Coverage and Care Upon Termination of a Provider Contract Under State Law**

When a contract between us and an In-Network Provider (including a PCP) is terminated by us or the Provider without cause and, at the time of the In-network Provider's termination, you are actively receiving Services for a Condition, Services for that Condition shall continue even after the date of the In-Network Physician's contract termination. Services for that Condition will be covered with that Provider only until the earlier of:

1. treatment for that specific Condition is completed;
2. you select another In-Network Physician; or
3. the next open enrollment period.

This extension period will not exceed the maximum time period allowed under Florida law, and in no case will it be longer than six months after termination of the Provider's contract with us.

Maternity benefits will continue under this Plan, regardless of the trimester in which Services were initiated, until completion of your postpartum care, if you initiated your prenatal care prior to the termination of the In-Network Provider's contract.

The Group Health Plan is not required to cover or pay for any Services under this subsection for an individual whose coverage under the Plan is not in effect at the time Services are rendered. Further, this subsection does not apply if the In-Network Provider is terminated "for cause".

### **Services Not Available from In-Network Providers**

Except as provided in the WHAT IS COVERED? section, if a Covered Service is not available through In-Network Providers, we may authorize coverage for such Services to be rendered by an Out-of-Network

Provider. Covered Services provided by an Out-of-Network Provider must be authorized by us **before** the Services are rendered.

### **Assignment of Benefits to Providers**

Except as set forth in the last paragraph of this section, the Group Health Plan will not honor any of the following assignments, or attempted assignments, by you to any Provider, including, and without limitation, any of the following:

1. an assignment of the benefits due you under this Booklet;
2. an assignment of the right to receive payments due under this Booklet; or
3. an assignment of a claim for damage resulting from a breach, or an alleged breach, of any promise or obligation set forth in this Booklet, or any promise or obligation set forth in any contract, plan, or policy.

The Group Health Plan specifically reserves the right to honor an assignment of benefits or payment by you to a Provider who: 1) is an In-Network Provider under your Plan; 2) is a licensed Hospital or Physician and the benefits which have been assigned are for care provided per Florida Statutes; or 3) is an Ambulance Provider that provides transportation for care from a location where an Emergency Medical Condition, as defined per Florida Statutes, first occurred to a Hospital, and the benefits which have been assigned are for transportation to care per Florida Statutes. A written attestation of the assignment of benefits may be required.

## Out-of-Area Services

### Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates (“Licensees”). Generally, these relationships are called “Inter-Plan Arrangements”. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever you obtain Health Care Services outside of Florida, the claims for these Services may be processed through one of these Inter-Plan Arrangements.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers (“Participating Providers”) contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). Some Providers (“Nonparticipating Providers”) don’t contract with the Host Blue. We explain below how we pay both kinds of Providers.

Only limited Services received outside of Florida are covered. As used in this section, “Out-of-Area Covered Services” only include Emergency Services for treatment of an Emergency Medical Condition obtained outside of Florida. Any other Services will not be covered even if processed through any Inter-Plan Arrangements.

### Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

### BlueCard Program

Under the BlueCard Program, when you receive Out-of-Area Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations to you. However the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard Program enables you to obtain Out-of-Area Covered Services, as defined above, from a health care Provider participating with a Host Blue, where available. The Participating Provider will automatically file a claim for the Out-of-Area Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for your Cost Share amounts.

**Medical Emergency:** If you experience a medical emergency while traveling outside of Florida, go to the nearest facility that can provide the type of Services needed.

When you receive Out-of-Area Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for the Out-of-Area Covered Services, if not a fixed dollar Copayment, is calculated based on the lower of:

- The billed charges for your Out-of-Area Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in

expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

### **Nonparticipating Providers Outside of Florida**

When Covered Services are provided outside of Florida by Nonparticipating Providers, payment for such Covered Services will be based on the applicable Allowed Amount.

### **Blue Cross Blue Shield Global® Core Program**

If you are outside the United States, the Commonwealth of Puerto Rico or the U.S. Virgin Islands, you may be able to take advantage of the Blue Cross Blue Shield Global Core Program when obtaining Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for Out-of-Area Covered Services.

If you need medical assistance services (including locating a doctor or hospital) outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a physician appointment or hospitalization, if necessary.

### **Inpatient Services**

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Out-of-Area Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Core Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Out-of-Area Covered Services.

### **Outpatient Services**

Physicians, Urgent Care Centers and other Providers of outpatient Services located outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Out-of-Area Covered Services.

### **Submitting a Blue Cross Blue Shield Global Core Claim**

When you pay for Out-of-Area Covered Services outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core

Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at [www.bcbsglobalcore.com](http://www.bcbsglobalcore.com). If you need assistance with your claim submission, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

## COVERAGE ACCESS RULES

---

It is important that you become familiar with the rules for accessing health care coverage through this HMO plan. The following section explains our role and the Primary Care Provider's (PCP) role, how to access specialty care coverage, and what to do if Emergency Services are needed. It is also important for you to review all Service Area-specific Coverage Access Rules for particular types of Services and In-Network Providers within the Service Area. These Service Area-specific Coverage Access Rules, if any, are set forth in the provider directory and may vary based on negotiated Provider contracts and other network factors specific to the Service Area.

### Choosing a Primary Care Provider

The first and most important decision you must make when joining a health maintenance organization is the selection of a PCP. This decision is important since it is through this Provider that all other Covered Services, particularly those of Specialists, are coordinated. You are free to choose any PCP listed in our published list of PCPs whose practice is open to additional BlueCare patients. This choice should be made when you enroll. You are responsible for choosing a PCP for all minor Covered Dependents including a newborn child or an adopted newborn child. If you do not choose a PCP when enrolling, we will assign one to you and notify you of that assignment. The following important rules apply to your PCP relationship:

- PCPs are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs. Developing and continuing a relationship with a PCP allows the Providers to become knowledgeable about your health history.
- A PCP can help you determine the need to visit a Specialist and also help you find one based on his or her knowledge of you and your specific health care needs.
- A PCP may specialize in internal medicine, family practice, general practice, or pediatrics. Also, a gynecologist or obstetrician/gynecologist, or APRN may elect to contract with us as a Primary Care Provider.
- Care rendered by your PCP usually results in lower Cost Share for you.

The PCP you select maintains a Provider-patient relationship with you, and will be responsible for helping to coordinate medical Services for you, except as specified by the Coverage Access Rules set forth in the provider directory, if any.

Both you and your PCP may request a change in the PCP assignment as discussed below:

1. You may request a transfer to another PCP whose practice is open to new BlueCare patients. The effective date of a transfer to the new PCP will depend upon when we receive your request. Requests may be made on our website at [www.floridablue.com](http://www.floridablue.com) or by calling the number on the back of your ID card.
2. There are also times when a PCP, for good cause, may request that we assist you in choosing another PCP.
3. If your PCP terminates his or her contract with us or is unable to perform his or her duties or is on a leave of absence, we may help you choose another PCP or assign a new one for you.

### Authorization Requirements

Many Services have to be authorized **before** the Services are rendered in order to be covered under this Booklet. **Since this is a self-funded plan, Jacksonville Police Officers and Fire Fighters Health Insurance Trust is ultimately responsible for determining whether expenses incurred for medical care are covered under this Booklet. However, it is important to note that under our ASO**

**Agreement; Jacksonville Police Officers and Fire Fighters Health Insurance Trust has asked us to use our authorization criteria and guidelines currently in effect.**

There may be times when Services are authorized, but only if received in a specific setting, such as an Ambulatory Surgical Center or Independent Diagnostic Testing Center. If the authorization includes a specific setting and you receive the Services in a different setting, such Services may be denied. For example, a procedure may be authorized only when performed in an Ambulatory Surgical Center. In this case, if you have the procedure done in a Hospital, the claim may be denied because the procedure was only authorized when performed in an Ambulatory Surgical Center.

In-Network Providers have agreed to obtain these authorizations for you; however, you should ask your Provider if an authorization has been obtained if one is required. Services that must be authorized by us in advance include, but are not limited to:

1. hospitalization, both inpatient and observation stays;
2. certain radiology Services, including advanced diagnostic imaging Services, such as CT scans, MRIs, MRAs and nuclear imaging;
3. Birth Center Services;
4. Services rendered in connection with Approved Clinical Trials;
5. Home Health Care;
6. certain Durable Medical Equipment;
7. Prosthetic Devices and Orthotic Devices;
8. Pain Management Services;
9. surgery (at all locations);
10. Services provided by Out-of-Network Providers;
11. all Services provided in a Skilled Nursing Facility;
12. certain injections and infusion therapy;
13. certain Provider-administered drugs (denoted with a special symbol in the Medication Guide);
14. Hospice Services; and
15. certain diagnostic Services.

**Note:** Prior Coverage Authorizations expire on the earlier of, but not to exceed 12 months:

1. the termination date of your plan, or
2. the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Service. To request a continuation we must we receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

### **Personal Case Management Program**

The personal case management program focuses primarily on members who suffer from a catastrophic illness or injury. In the event you meet the case management guidelines, we may, in our sole discretion, assign a Personal Case Manager to you to help you coordinate coverage, benefits or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, alternative benefits or payment for cost-effective Health Care Services may be offered to you. These alternative benefits or payments may be made available on

a case-by-case basis when you meet the case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing. Because your Group Health Plan is self-funded, Jacksonville Police Officers and Fire Fighters Health Insurance Trust will be required to specifically agree to such treatment plan and the alternative benefits or payment.

The fact that certain Health Care Services under the personal case management program have been provided or payment has been made in no way obligates HOI, Jacksonville Police Officers and Fire Fighters Health Insurance Trust or the Group Health Plan to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of the Group's right to enforce this Booklet in strict accordance with its terms. The terms of this Booklet will continue to apply, except as specifically modified in writing in accordance with the personal case management program rules then in effect.

### **Coverage Protocol Exemption Request**

In some cases Services under this Booklet require you to complete use of another Prescription Drug, medical procedure, or course of treatment other than the one requested by your treating Physician before coverage will be authorized/granted. Florida Statute 641.31(46) permits you to request a protocol exemption in order to receive coverage without completing our coverage protocol for the Prescription Drug, medical procedure, or course of treatment. If we deny the coverage protocol exemption request, we will provide you with a written explanation of the reason for the denial, the clinical rationale that supports the denial, and the procedure for appealing the denial. In some instances, the process for appealing a denied coverage protocol exemption request will be your formal appeal of an Adverse Benefit Determination process as outlined in the COMPLAINT AND GRIEVANCE PROCESS section of this Booklet.

Information on how to request a coverage protocol exemption or to appeal a denial of a request for exemption can be found on our website at

<https://www.floridablue.com/docview/coverage-protocol-exemption-request/>.

3. The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child.

**Note:** It is your sole responsibility as the Covered Plan Participant to establish that a child meets the eligibility rules. Eligibility will terminate at the end of the Month in which the child no longer meets the eligibility rules required to be an Eligible Dependent.

### **Children with Disabilities**

In the case of a dependent child with an intellectual or physical disability, such child is eligible to continue coverage as a Covered Dependent, beyond the age of 26, if the child is:

2. incapable of self-sustaining employment by reason of intellectual or physical disability; and
3. chiefly dependent upon the Covered Plan Participant for support and maintenance provided that the symptoms or causes of the child's intellectual or physical disability existed prior to the child's 26th birthday.

This eligibility will terminate on the last day of the month in which the dependent child no longer meets these requirements.

### **Other Rules Regarding Eligibility**

1. No individual whose coverage has been terminated for cause (see the TERMINATION OF COVERAGE section) shall be eligible to re-enroll in the Group Health Plan.
2. No person shall be refused enrollment or re-enrollment because of race, color, creed, marital status, gender, or age (except as provided in the Dependent Eligibility subsection).
3. The Covered Plan Participant must notify the Group as soon as possible when a Covered Dependent is no longer eligible for coverage. If a Covered Dependent fails to continue to meet each of the eligibility requirements, and proper notification is not provided timely by the Covered Plan Participant, the Group shall have the right to retroactively terminate the coverage of such dependent to the date any such eligibility requirement was not met. Upon request, the Covered Plan Participant shall provide proof, which is acceptable to the Group, of a Covered Dependent's continuing eligibility for coverage.
4. If the Group offers an alternative health benefits plan for Medicare eligibles or retirees, and an individual elects to be covered under such plan, then such individual shall not be eligible for coverage under this Booklet.

---

## **ENROLLMENT AND EFFECTIVE DATE OF COVERAGE**

---

Eligible Employees and Eligible Dependents may enroll for coverage as described in this section. Any Eligible Employee or Eligible Dependent who is not properly enrolled with us will not be covered under this Booklet. Neither HOI nor the Group shall have no obligation whatsoever to any individual who is not properly enrolled.

### **General Rules for Enrollment**

1. You may apply for coverage by completing an Enrollment Form and submitting it to the Group.
2. All factual representations on the Enrollment Forms must be accurate and complete. Any false, incomplete, or misleading information provided during enrollment, or at any time, may cause you to be disqualified for coverage and, in addition to any other legal right the Group may have, the Group may terminate or Rescind your coverage.
3. The Group will not provide coverage or benefits to any person who would not have been eligible to enroll, had accurate and complete information been provided on a timely basis. There may be an additional contribution amounts for each Covered Dependent based on the coverage provided by the Group.

### **Enrollment Periods**

There are only certain times during the year that you can enroll for coverage, these enrollment periods are as follows:

**Initial Enrollment Period:** this is the period of time when you are first eligible to enroll. It starts on the date you are first eligible and ends no less than 30 days later. This time can be when the Group first starts its Plan under this Booklet, or when an employee first becomes eligible for coverage under the Plan.

**Annual Open Enrollment Period:** this is the period of time (usually 30 days) when you have an opportunity to select coverage from the alternatives your Group offers in its health benefit program. This period takes place every year prior to the Anniversary Date. Jacksonville Police Officers and Fire Fighters Health Insurance Trust will establish the dates and length of this period.

**Special Enrollment Period:** this is the 30-day period of time immediately following a special event such as getting a new dependent or losing other coverage. During this time you may apply for coverage because of the special event. Special events are described in the Special Enrollment Period subsection of this section.

### **Initial Enrollment Period**

1. If you are an Eligible Employee when Jacksonville Police Officers and Fire Fighters Health Insurance Trust first starts plan under this Booklet; you must enroll (yourself and any Eligible Dependents) during the Initial Enrollment Period in order to become covered as of the Effective Date of the Group. In this case, the Effective Date of coverage for you and the dependents you enroll will be the same as the Group.
2. If you become an Eligible Employee after Jacksonville Police Officers and Fire Fighters Health Insurance Trust has this plan (for example, newly-hired employees) you must enroll (yourself and any Eligible Dependents) before or within the Initial Enrollment Period and your Effective Date of coverage will begin on the date specified in writing, by the Group.

### **Annual Open Enrollment Period**

If you did not apply for coverage during the Initial Enrollment Period or a Special Enrollment Period you may apply for coverage by completing an Enrollment Form during an Annual Open Enrollment Period. Your Effective Date of coverage will be the date specified by the Group.

If you do not enroll or change your coverage selection during the Annual Open Enrollment Period, you must wait until the next Annual Open Enrollment Period to make any changes, unless a special event, as outlined in the Special Enrollment Period subsection of this section, occurs.

### **Special Enrollment Period**

You may apply for coverage outside of the Initial Enrollment Period and Annual Enrollment Period as a result of a special enrollment event. To apply for coverage, you must complete an Enrollment Form and submit it to the Group within the time periods noted below for each special enrollment event.

If you declined coverage when it was first offered under this Plan and you stated, in writing, that coverage under another group health plan or health insurance coverage was the reason for declining enrollment, you may apply for coverage if one of the following special enrollment events occurs and you complete an Enrollment Form and submit it to the Group within time periods indicated in the chart that follows.

## Special Enrollment Event

Loss of Coverage under...	Caused by...	Enrollment Form due to Group within...
a group health plan or COBRA	<ul style="list-style-type: none"> <li>• Exhaustion of COBRA</li> <li>• termination of employment</li> <li>• reduction in the number of hours you work</li> <li>• reaching or exceeding the lifetime maximum of all benefits under other health coverage</li> <li>• the employer stopped offering group health coverage</li> <li>• death of your spouse</li> <li>• divorce or legal separation</li> <li>• employer contributions toward such coverage are terminated</li> </ul>	30 days of the date coverage was terminated
A Children's Health Insurance Program or Medicaid	<ul style="list-style-type: none"> <li>• loss of eligibility for such coverage</li> <li>• becoming eligible for the optional state premium assistance program</li> </ul>	60 days of the date coverage was terminated

\* The statement in the paragraph above this chart about declining coverage when it was first offered does not apply to these special enrollment events.

Your Effective Date of Coverage will be the date of the special enrollment event. If you do not enroll or change your coverage during the Special Enrollment Period you must wait until the next Annual Open Enrollment Period.

**Note:** Loss of coverage for failure to pay your required contribution on a timely basis or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the prior health coverage) is not a qualifying event for special enrollment.

## Dependent Enrollment

An individual may be added upon becoming an Eligible Dependent of a Covered Plan Participant. Below are special rules for certain Eligible Dependents.

**Newborn Children** – To enroll a newborn child who is an Eligible Dependent, the Covered Plan Participant must complete an Enrollment Form and submit it to the Group. The Effective Date of coverage for a newborn child is usually the date of birth as long as you have enrolled the newborn child in time (as indicated below). The Group must be notified, in writing, when you are adding a newborn and the rules for

Effective Date and contribution amounts charged for the newborn vary depending on when this written notification is received. The chart that follows indicates these differences:

**Newborn Enrollment**

<b>If written notice is received within...</b>	<b>The Effective Date of the newborn will be...</b>	<b>Contribution amounts for the newborn child...</b>
30 days after the date of birth	the date of birth	will <b>not</b> be charged <b>for the first 30 days</b>
31 to 60 days after the date of birth	the date of birth	will be charged from the date of birth
61 or more days* after the date birth	the date of birth	will be charged from the date of birth

\*This applies only if the Group **has not had** an Annual Open Enrollment Period since the baby was born. If the written notice is received more than 60 days after the birth of the newborn child, and your Group **has had** an Annual Open Enrollment Period since the birth of the newborn, the child may not be added until the Group's next Annual Open Enrollment Period.

Additional Rules for Adopted Newborn Children

If an Adopted newborn's Effective Date of coverage is determined to be the date of birth (based on the above chart), a written agreement to Adopt such child must have been entered into by the Covered Plan Participant prior to the birth of such child, whether or not such an agreement is enforceable. The Covered Plan Participant may be required to provide any information and/or documents which we deemed necessary by us or the Group in order to administer this provision. If the Adopted newborn child is not ultimately placed in your residence, there shall be no coverage for the Adopted newborn child. It is your responsibility as the Covered Plan Participant to notify the Group within ten calendar days of the date that placement was to occur if the Adopted newborn child is not placed in your residence.

The guidelines above only apply to newborns born after the Effective Date of the Covered Plan Participant. If a child is born before the Effective Date of the Covered Plan Participant the newborn should be added during the Initial Enrollment Period.

**Adopted/Foster Children** – To enroll an Adopted child (other than a newborn child) or Foster Child, the Covered Plan Participant must complete an Enrollment Form and submit it to the Group within 30 days after the date of placement and the Effective Date will be the date the Adopted or Foster Child is placed in the residence of the Covered Plan Participant pursuant to Florida law. If timely notice is given, no additional contribution amount will be charged for coverage of the Adopted or Foster Child for the duration of the notice period (the 30-day period before the child was placed in your home). You may need to provide additional information and/or documents deemed necessary by us in order to properly administer this provision.

If timely notice is not given, the child will be added as of the date of placement so long as we receive the Enrollment Form within 60 days of the placement, and any applicable contribution amount is paid back to the date of placement. If notification is not received within 60 days of the date of placement, the Covered Plan Participant must make application during the Annual Open Enrollment Period or Special Enrollment Period in order for the Adopted or Foster Child to be covered.

### Adopted Children

For all children covered as Adopted children, if the final decree of Adoption is not issued, coverage shall not be continued for such Adopted child. It is your responsibility as the Covered Plan Participant to notify the Group if the Adoption does not take place. Upon receipt of this notification, such child's coverage will be terminated as of the Effective Date of the Adopted child.

### Foster Children

If the Covered Plan Participant's status as a foster parent is terminated, coverage will end for any Foster Child. It is your responsibility as the Covered Plan Participant to notify the Group in writing that the Foster Child is no longer in your care. Upon receipt of this notification, such child's coverage will be terminated on the date provided by the Group.

**Marital Status** – If the Covered Plan Participant marries after his or her Effective Date, he or she may add the spouse who is an Eligible Dependent due to a legally valid marriage. The Covered Plan Participant must complete an Enrollment Form and submit it to the Group within 30 days of the marriage and the Effective Date of coverage for the new spouse will be the date of the marriage.

**Court Order** – You, as the Covered Plan Participant may add an Eligible Dependent outside of the Initial Enrollment Period and Annual Open Enrollment Period if a court has ordered coverage to be provided by you for a minor child under your plan. The Covered Plan Participant must complete an Enrollment Form and submit it to the Group within 30 days of the court order and the Effective Date of coverage for an Eligible Dependent who is enrolled as a result of a court order will be the date required by the court order.

## **Other Provisions**

### **Rehired Employees**

If you are rehired as an employee of the Group; you are considered a newly-hired employee for purposes of this section, unless the employer has indicated that the employee qualifies for the exception as described in the federal regulations. The provisions of the Policy, applicable to newly-hired employees and their Eligible Dependents if the employee does not qualify for the federal exemption, such as Effective Dates of coverage and Waiting Periods will apply to you.

### **Covered Dependents of Retirees**

1. Coverage for a Covered Dependent will continue as long as the retired Covered Plan Participant is living and the retired Covered Plan Participant and the Covered Dependent continue to meet the eligibility criteria.
2. In the event that a retired Covered Plan Participant dies, his or her Covered Dependent spouse may elect to continue coverage as a new Covered Plan Participant. Covered Dependent children who continue to meet eligibility criteria may also continue coverage until the new Covered Plan Participant remarries, dies, or reaches age 65, as long as Jacksonville Police Officers and Fire Fighters Health Insurance Trust and HOI are properly notified on a timely basis and the appropriate contributions are paid to Jacksonville Police Officers and Fire Fighters Health Insurance Trust.

---

## **TERMINATION OF COVERAGE**

---

### **Covered Plan Participant**

A Covered Plan Participant's coverage under this Booklet will terminate at 12:01 a.m.:

If you wish to delete your spouse from coverage, in the case of divorce for example, the Enrollment Form must be submitted before the termination date you are requesting, or within 10 days of the date the divorce is final, whichever is applicable.

### **Termination for Cause**

If any of the following events occur, the Group may terminate an individual's coverage for cause:

1. fraud, material misrepresentation or omission in applying for coverage or benefits;

2. you intentionally misrepresent, omit, or give false information on Enrollment Forms or other forms completed, by you or on your behalf;
3. fraudulent misuse of the ID Card;
4. you no longer live or work in the Service Area; or
5. a Covered Dependent reaches the limiting age.

Any termination made under the provisions stated above is subject to review in accordance with the Complaint and Grievance Process described in this Booklet.

**Note:** Only fraudulent misstatements on the Enrollment Form may be used by the Group to void coverage or deny any claim for loss incurred or disability, if discovered after two years from your Effective Date.

### **Rescission of Coverage**

The Group and HOI reserve the right to Rescind coverage under this Booklet for any individual covered under this Booklet as permitted by law.

The Group and/or HOI may only Rescind your coverage if you or another person on your behalf commits fraud or intentional misrepresentation of material fact in applying for coverage or benefits.

The Group and/or HOI will provide at least 45 days advance written notice to the Covered Plan Participant of the intent to Rescind coverage.

Rescission of coverage is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review standards described in the CLAIMS PROCESSING section and the appeal procedures described in the COMPLAINT AND GRIEVANCE PROCESS section.

### **Notice of Termination**

It is Jacksonville Police Officers and Fire Fighters Health Insurance Trust's responsibility to immediately notify you of termination of the Group Health Plan for any reason.

### **Group Health Plan Responsibilities Upon Termination of Your Coverage**

Upon termination of your coverage for any reason, HOI and the Group will have no further liability to you under the Group Health Plan, except as otherwise specifically described in this Booklet.

# CONTINUING COVERAGE

---

## Introduction

This section describes the ways coverage can be continued after your termination date. We have divided this section into three subsections: Federal and Florida Continuation Provisions, Conversion Privilege and Extension of Benefits.

## Federal Continuation of Coverage Law

A federal continuation of coverage law, known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, may apply to your Group Health Plan; if so, you may be entitled to continue coverage for a limited period of time, if you meet the applicable requirements, make a timely election, and pay the proper amount required to maintain coverage.

You must contact your Group to determine if you are entitled to COBRA continuation of coverage. Your Group is solely responsible for meeting all of the obligations under COBRA, including the obligation to notify you of your rights under COBRA. If you do not meet your obligations under COBRA and this Plan, the Group shall not be liable for any claims incurred by you after your coverage terminates.

A summary of your COBRA rights and the general conditions for qualification for COBRA continuation coverage is provided below. This summary is not meant as a representation that any of the COBRA obligations of the Group are met by the Group Health Plan; the duty to meet such obligations remains with Jacksonville Police Officers and Fire Fighters Health Insurance Trust.

The following is a summary of what you may elect, if COBRA applies to Jacksonville Police Officers and Fire Fighters Health Insurance Trust and you are eligible for such coverage:

1. You may elect to continue your coverage for a period not to exceed 18 months\* in the case of:
  - a. termination of employment of the Covered Plan Participant other than for gross misconduct; or
  - b. reduced hours of employment of the Covered Plan Participant.

**\*Note:** You are eligible for an 11 month extension of the 18 month COBRA continuation option above (up to a total of 29 months) if you are totally disabled, as defined by the Social Security Administration (SSA), at the time of your termination, reduction in hours or within the first 60 days of COBRA continuation coverage. You must supply notice of the disability determination to the Group within 18 months of becoming eligible for continuation coverage and no later than 60 days after the SSA's determination date.

2. Your Covered Dependents may elect to continue their coverage for a period not to exceed 36 months in the case of:
  - a. the Covered Plan Participant's entitlement to Medicare;
  - b. divorce or legal separation from the Covered Plan Participant;
  - c. death of the Covered Plan Participant;
  - d. the employer files bankruptcy (subject to bankruptcy court approval); or
  - e. a Covered Dependent child who ceases to be an Eligible Dependent under the terms of the Policy.

Children born to or placed for Adoption with the Covered Plan Participant during the continuation coverage periods noted above are also eligible for the remainder of the continuation period.

If you are eligible to continue group health insurance coverage pursuant to COBRA, the following conditions must be met:

1. The Group must notify you of your continuation of coverage rights under COBRA within 14 days of the event that creates the continuation option. If coverage would be lost due to Medicare entitlement, divorce, legal separation or because a Covered Dependent child no longer meets eligibility requirements, you or your Covered Dependent must notify the Group, in writing, within 60 days of any of these events. The Group's 14-day notice requirement runs from the date of receipt of such notice.
2. You must elect to continue the coverage within 60 days of the later of:
  - a. the date that your coverage ends; or
  - b. the date the notification of continuation of coverage rights is sent by the Group.
3. COBRA coverage will end if you become covered under any other group health plan. However, COBRA coverage may continue if the new group health plan contains exclusions or limitations due to a Pre-existing Condition that would affect your coverage.
4. COBRA coverage will end if you become entitled to Medicare.
5. If you are totally disabled and eligible and elect to extend your continuation of coverage, you may not continue such extension of coverage more than 30 days after a determination by the SSA that you are no longer disabled. You must inform the Group of the SSA's determination within 30 days of such determination.
6. You must meet all contribution requirements and all other eligibility requirements described in COBRA, and, to the extent not inconsistent with COBRA, as described in the Group Health Plan.
7. The Group must continue to provide group health coverage to its employees, in order for COBRA continuation coverage to remain available to you.

An election by a Covered Plan Participant or Covered Dependent spouse shall be deemed to be an election for any other qualified beneficiary related to that Covered Plan Participant or Covered Dependent spouse, unless otherwise specified in the election form.

**Note:** This section shall not be interpreted to grant any continuation rights in excess of those required by COBRA and/or Section 4980B of the Internal Revenue Code. Additionally, this Booklet shall be deemed to have been modified, and shall be interpreted, so as to comply with COBRA and changes to COBRA that are mandatory with respect to the Group.

## **Conversion Privilege**

If your Group Health Plan has terminated you may apply for conversion to a non-group plan. HOI and the Group have no obligation to notify you of the conversion privilege. It is your sole responsibility to exercise this conversion privilege subject to the provisions set forth below.

### **Eligibility Criteria for Conversion**

You are entitled to apply for a conversion contract for a non-group plan if:

1. you have been continuously covered under this Group Health Plan for at least three consecutive months; **or**
2. you were covered for at least three consecutive months under any other group policy providing similar benefits that this Group Health Plan immediately replaced; **and**
3. your coverage has been terminated for any reason, including discontinuance of this Group Health Plan in its entirety and termination of continued coverage under COBRA; **and**
4. you maintain your primary residence in the Service Area.

The conversion contract shall be issued without regard to health status or requirements for Health Care Services. **We must receive the completed conversion application and the applicable premium payment within the 63-day period beginning on the date this Group Health Plan terminated.**

In the event we do not receive the conversion application and the initial premium payment within such 63-day period, your conversion application will be denied, and you will not be entitled to a conversion policy.

**Conversion is not available if termination occurred for any of the following reasons:**

1. you had not been continuously covered under the Group Health Plan for at least three months prior to termination;
2. failure by you to pay on a timely basis, any required contribution amounts required for coverage under the Group Health Plan;
3. replacement of coverage by similar group coverage occurs within 31 days of termination;
4. you commit fraud or intentional misrepresentation in applying for the Group Health Plan or for any Covered Services;
5. termination for cause as set forth in the TERMINATION OF COVERAGE subsection;
6. you have left the Service Area with the intent to relocate or to establish a new residence outside the Service Area; or
7. you are eligible for, or covered under, Medicare.

**Additionally, conversion is not available:**

1. if you are eligible for similar benefits, whether or not you are actually covered under any arrangement of coverage for individuals in a group;
2. if you are covered by similar benefits by another hospital, surgical, medical or major medical expense insurance policy or hospital or medical Service insured contract or medical practice or other prepayment plan, or by any other plan or program;
3. if similar benefits are provided for or are available to you pursuant to or in accordance with the requirements of any state or federal law (e.g., COBRA); or
4. if the benefits provided or available to you, together with the benefits provided by us, would result in excess of coverage, as determined by us.

**Conversion Coverage**

The conversion contract issued to each individual who converts to non-group coverage shall include a level of benefits for "minimum Services" which is similar to the level of benefits for the Services included in this Booklet. For purposes of this section, the term "minimum Services" shall mean Services which include any of the following: emergency care, inpatient Hospital Services, Physician care, ambulatory diagnostic treatment, and preventive Health Care Services. Conversion coverage is not a continuation of the Group Health Plan. Benefits under such conversion coverage may differ from benefits under the Group Health Plan and any Endorsements attached thereto. Conversion coverage may continue in effect as long as you: (a) continue to meet all applicable eligibility requirements; (b) pay all applicable fees and charges; and (c) otherwise comply with all requirements under the conversion contract.

**Effective Date of Conversion**

The effective date of conversion coverage shall be the day following the termination under the Group Health Plan. However, until such time as coverage under the conversion contract becomes effective, you

shall pay the Allowed Amount for any Covered Services rendered during the 63-day period immediately following termination of the Group Health Plan. In the event such conversion coverage becomes effective, you may request reimbursement from us for any payment for Covered Services. You must submit proof of payment to us in order to obtain reimbursement.

### **Continuity of Coverage and Care Upon Termination of a Group Policy Under State Law**

If the Group Health Plan is terminated, coverage will end on the termination date. There will be no coverage or benefits for any Covered Service received on or after the termination date, except as listed below. The extension of benefits described below only applies when the Group Health Plan is terminated, and the benefits provided under an extension of benefits are subject to all other terms included in this Booklet.

**Note:** You must provide proof that you are entitled to an extension of benefits.

### **Extension of Benefits**

1. If you are pregnant on the termination date of the Group Health Plan, a limited extension of the maternity benefits will be provided, as long as the pregnancy started while you were covered by the Group Health Plan. This extension of benefits is only for Covered Services necessary to treat the pregnancy and will automatically terminate on the date the child is born.
2. If you are totally disabled on the termination date of the Group Health Plan because of a specific accident or illness that happened while you were covered under the Group Health Plan, a limited extension of benefits will be provided for you only. This extension of benefits is only for Covered Services necessary to treat the disabling Condition. This extension of benefits will only continue as long as the disability is continuous and uninterrupted; however, in any event, this extension of benefits will automatically terminate at the end of the 12-month period beginning on the termination date of the Group Health Plan.

**Note:** For purposes of this subsection, you will be considered totally disabled only if, in our opinion, you are unable to work at a job for which you have the education, training, or experience, and you continue to require regular care from a Physician for the disability. This applies, even if you are not working (e.g., a student, non-working spouse, or children), if you are unable to perform the normal day-to-day activities which you would otherwise be able to perform.

Neither the Group nor HOI is required to provide an extension of benefits if you leave the Service Area with the intent to relocate or establish a new residence outside the Service Area; if you intentionally left out or provided false information on any Enrollment Form in order to obtain coverage or Covered Services; or if you were terminated for disruptive, unruly, abusive, unlawful, fraudulent or uncooperative behavior to the extent that your continued coverage with us impairs our ability to provide coverage and/or benefits or to arrange for the delivery of Health Care Services to you or any other Covered Person.

## COORDINATION OF BENEFITS

---

### Coordination of Benefits

Coordination of Benefits is a limitation of coverage and/or benefits to be provided under this Booklet. It is designed to avoid duplication of payment for Covered Services and/or supplies. It is your responsibility to provide us information concerning any duplication of coverage under any other health plan, program, or policy you or your Covered Dependents may have. This means you must notify us in writing if you have other applicable coverage or if there is no other coverage. You may be requested to provide this information at initial enrollment, by written correspondence annually thereafter, or in connection with a specific Health Care Service you receive. If the information is not received, claims may be denied and you will be responsible for payment of any expenses related to denied claims.

Payment for Covered Services will be coordinated to the maximum extent allowed by law provided you follow the Coverage Access Rules set forth in the COVERAGE ACCESS RULES section. Plans which may be subject to Coordination of Benefits include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group insurance, group-type self-insurance, or HMO plan;
2. any group contract issued by any Blue Cross and/or Blue Shield Plan(s);
3. any plan, program or insurance policy, including an automobile insurance policy, provided that any such non-group policy contains a coordination of benefits provision;
4. Medicare, as described in the Medicare Secondary Payer Provisions subsection; and
5. To the extent permitted by law, any other government sponsored health insurance program.

The amount of payment, if any, is based on whether or not the Group Health Plan is the primary payer. When the Group Health Plan is primary, payment for Covered Services will be made without regard to your coverage under other plans. When the Group Health Plan is not primary, payment may be reduced so that total benefits under all plans will not exceed 100 percent of the total reasonable expenses actually incurred for the Covered Services. **In the event that the primary payer's payment exceeds the maximum amount established by us, no payment will be made for such Services.** In the event the Covered Services were rendered by an In-Network Provider, total reasonable expenses, for purposes of this section, shall be equal to the amount obligated to the In-Network Provider based on the Provider's contract.

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. This plan always pays secondary to any medical payment, personal injury protection (PIP) coverage or no-fault coverage under any automobile policy available to you.
2. When this Plan covers you as a dependent and the other plan covers you as other than a dependent, we will be secondary.
3. When this Plan covers you as a dependent child and your parents are married (not separated or divorced):
  - a. the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;
  - b. if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When this Plan covers you as a dependent child whose parents are not married, or are separated or divorced:

- a. the plan of the parent with custody is primary;
  - b. the plan of the re-married parent with custody is primary regardless of whether the re-married parent is the employee or a dependent under the step-parent's plan; the step-parent's plan is secondary; and
  - c. the plan of the parent without custody pays last;
  - d. regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
5. When an employee or the employee's dependent and you are covered under a plan that covers you as a laid off or retired employee or as the employee's dependent and the other plan covers you as a dependent:
    - a. the plan that covers you by virtue of active employment, e.g. as the dependent spouse of an active employee, is primary;
    - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
  6. If you have continuation of coverage under COBRA or Florida Health Insurance Coverage Continuation Act (FHICCA or mini COBRA), and also under another group plan, the following order of benefits applies:
    - a. first, the plan covering the person as an employee, or as the employee's dependent; and
    - b. second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's dependent provided according to the provisions of COBRA or FHICCA.
  7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary.
  8. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

The Group Health Plan will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare supplement policy.

### **Medicare Secondary Payer Provision**

When you become covered under Medicare and are still eligible and covered under this Booklet, the Group Health Plan will be primary and Medicare benefits will be secondary, but only to the extent required by law. In all other instances, the Group Health Plan will be secondary to any Medicare benefits. When the Group Health Plan is the primary payer, claims for Covered Services should be filed with HOI first.

If you become covered under Medicare and are still eligible and covered under the Group Health Plan, Jacksonville Police Officers and Fire Fighters Health Insurance Trust MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you. Also, the Group MAY NOT persuade you to decline or terminate your group health coverage and elect Medicare as the primary payer.

When you turn 65 or become eligible for Medicare due to End Stage Renal Disease (ESRD), you must notify the Group immediately.

### **Individuals With End Stage Renal Disease**

If you become entitled to Medicare coverage because of ESRD, your Group Health Plan is primary for 30 months beginning with the earlier of:

1. the month in which you became entitled to Medicare Part A ESRD benefits; or

2. the first month in which you would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was already primary before ESRD, Medicare will remain primary. Also, if your Group Health Plan coverage was primary before ESRD entitlement, the Group Health Plan will remain primary for the ESRD coordination period. If you are eligible for Medicare due to ESRD, your Group Health Plan coverage is primary for 30 months.

### **Disabled Active Individuals**

The Group Health Plan coverage is primary, if:

1. your Group is a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50% or more of its regular business days during the previous Calendar Year; and
2. you are entitled to Medicare coverage because of disability (unless you have ESRD).

Primary coverage under the Group Health Plan is pursuant to the following terms:

1. your Group Health Plan coverage is primary during any month in which you are entitled to Medicare coverage because of disability;
2. your entitlement to primary coverage under this subsection will terminate automatically when:
  - a. you turn 65 years of age; or
  - b. you no longer qualify for Medicare coverage because of disability; or
  - c. you elect Medicare as the primary payer. Coverage will terminate as of the date of your election.

Under Medicare, Jacksonville Police Officers and Fire Fighters Health Insurance Trust MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you or induce you to decline or terminate your group health coverage and elect Medicare as the primary payer.

3. Your entitlement to primary coverage under this subsection will terminate automatically if you no longer qualify under applicable Medicare regulations and instructions. The Group shall notify us, without delay, of any such change in status.

### **Miscellaneous**

This section shall be changed, if necessary, to comply with federal statutory and regulatory Medicare Secondary Payer rules as they relate to Medicare beneficiaries who are covered under a Group Health Plan.

We will not be liable to Jacksonville Police Officers and Fire Fighters Health Insurance Trust or anyone covered under the Group Health Plan due to any nonpayment of primary benefits that result from any failure of the Group's performance or obligations set forth in this section.

If primary payment is made for Covered Services rendered to you as described in this section in a period prior to receipt of the information required by the terms of this section, you may be required to reimburse the Group Health Plan for such payments.

### **Non-Duplication of Government Programs**

The benefits provided under this Booklet shall not duplicate any benefits to which you are entitled, or for which you are eligible, under governmental programs such as Medicare, Veterans Administration, TRICARE, or Workers' Compensation, to the extent allowed by law or any extension of benefits of coverage under a prior plan or program which may be required by law.

# CLAIMS PROCESSING

---

## Introduction

This section is intended to:

1. help you understand what your treating Providers must do, under the terms of this Booklet, in order to obtain payment for Covered Services that have been rendered or will be rendered to you; and
2. provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

If Jacksonville Police Officers and Fire Fighters Health Insurance Trust is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator (usually the employer) is solely responsible for complying with ERISA. While the benefit determination timeliness standards set forth in this section are generally consistent with ERISA, we are not legally responsible for notifying you of any rights you may have under ERISA. If you are not sure of your rights under ERISA, you should contact the plan administrator or an attorney of your choice. We will follow the claim determination procedures and notice requirements set forth in this section even if the Group Health Plan is not subject to ERISA.

Under no circumstances will we be held responsible for, nor will we accept liability relating to, the failure of the Group Health Plan's sponsor or plan administrator to: (1) comply with ERISA's disclosure requirements; (2) provide you with a Summary Plan Description (SPD) as that term is defined by ERISA; or (3) comply with any other legal requirements. You should contact the plan sponsor or administrator if you have questions relating to the Group Health Plan's SPD. We are not the Group Health Plan's sponsor or plan administrator. In most cases, a plan's sponsor or plan administrator is the employer who establishes and maintains the plan.

## Types of Claims

For purposes of this Booklet, there are three types of claims: (1) Post-Service Claims; (2) Pre-Service Claims; and (3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

## Post-Service Claims

### How to File a Post-Service Claim

Experience shows that the most common type of claim we will receive from you or your treating Providers will be Post-Service Claims.

In-Network Providers have agreed to file Post-Service Claims for Covered Services they render to you. If you receive a bill from an In-Network Provider, you should forward it to us. If you require Emergency Services from an Out-of-Network Provider while inside or outside the Service Area or, if we refer you to an Out-of-Network Provider, the Group Health Plan will pay for Covered Services provided to you. If you receive a bill from an Out-of-Network Provider for Covered Services, you should forward it to us. We rely on the information you provide when processing a claim.

We must receive a Post-Service Claim within 90 days of the date the Covered Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your Identification Card within one year of the date the Covered Service was rendered unless you are legally incapacitated.

For Post-Service Claims, we must receive an itemized statement containing the following information:

1. the date the Service was provided;

2. a description of the Service including any applicable procedure codes;
3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis codes;
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. the Covered Plan Participant's name and contract number as they appear on the Identification Card.

**Note:** Please refer to the Group for information on the processing of prescription drug claims. Further, special claims processing rules may apply for Health Care Services you receive outside the state of Florida under the BlueCard Program (See the BLUECARD PROGRAM or AWAY FROM HOME CARE section).

### **Processing Post-Service Claims**

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us, within the timeframes described below.

#### **Payment for Post-Service Claims**

When payment is due under the terms of this Booklet, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt, however all claims subject to the No Surprises Act will be paid or denied within 30 days as stated in the Surprise Billing subsection of the UNDERSTANDING YOUR SHARE OF HEALTH CARE EXPENSES section of this Booklet. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more information, we may contest or deny the claim within the timeframes set forth below.

#### **Contested Post-Service Claims**

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a paper Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. The notice may identify: (1) the contested portion or portions of the claim; (2) the reasons for contesting the claim or a portion of the claim; and (3) the date that we reasonably expect to notify you of the decision. The notice may also indicate whether more information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of the request for the information. **If we do not receive the requested information, the claim or a portion of the claim will be processed based on the information in our possession at the time and may be denied.** Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

#### **Denial of Post-Service Claims**

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt of the claim, that the claim or a portion of the claim is denied. The notice may identify the denied portion(s) of the claim and the reasons for denial. It is your responsibility to ensure that we receive all information that we determine is necessary to process a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section, and the appeal procedures described in the COMPLAINT AND GRIEVANCE PROCESS section.

In any event, we will use our best efforts to pay or deny all (1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and (2) paper Post-Service Claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

## **Pre-Service Claims**

### **How to file a Pre-Service Claim**

This Booklet may condition coverage, benefits, or payment (in whole or in part) for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the COVERAGE ACCESS RULES section, the WHAT IS COVERED? section and other applicable sections of this Booklet. You may also call the customer service number on your Identification Card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Booklet require approval by us (or condition payment) for the Service before it is received.

### **Benefit Determinations on Pre-Service Claims Involving Urgent Care**

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of the determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of: (1) the need for additional information; (2) the specific information that you or the Provider may need to provide; and (3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of the request. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 48 hours after the earlier of: (1) receipt of the requested information; or (2) the end of the period you were afforded to provide the specified additional information as described above.

### **Benefit Determinations on Pre-Service Claims That Do Not Involve Urgent Care**

We will use our best efforts to provide notice of a decision of a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: (1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period; (2) identify the specific information that you or the Provider may need to provide; and (3) inform you of the date that we reasonably expect to notify you of the decision. If we request additional information, we must receive it within 45 days of the request for the information. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section, and the appeal procedures described in the COMPLAINT AND GRIEVANCE PROCESS section.

## **Concurrent Care Decisions**

### **Reduction or Termination of Coverage or Benefits for Covered Services**

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

1. we have approved in writing coverage or benefits for an ongoing course of Services to be provided over a period of time or a number of Services to be rendered; and
2. the reduction or termination occurs before the end of such previously approved time or number of Service(s); and
3. the reduction or termination of coverage or benefits by us was not due to an amendment to the Booklet or termination of your coverage as provided by this Booklet.

We will use our best efforts to notify you of such reduction or termination in advance so you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the COMPLAINT AND GRIEVANCE PROCESS described in this Booklet. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Covered Services.

### **Requests for Extension of Covered Services**

Your Provider may request an extension of coverage or benefits for a Covered Service beyond the approved period of time or number of approved Covered Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of the request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Covered Services. We will use our best efforts to notify you within 24 hours if: (1) we need additional information; or (2) you or your representative did not follow proper procedures in the request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for an extension of Covered Services is considered an Adverse Benefit Determination and is subject to the Complaint and Grievance Process described in this Booklet.

## **Adverse Benefit Determinations**

### **Manner and Content of a Notification of an Adverse Benefit Determination**

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

1. the date the Service or supply was provided;

By accepting coverage and benefits, you agree that health care Providers rendering Health Care Services are not our employees or agents. **In this regard, we hereby expressly disclaim any agency relationship, actual or implied, with any health care Provider.** We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions made by us concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for the purpose of determining whether such Services are covered, and not for the purpose of recommending any treatment or non-treatment. Neither HOI nor the Group will assume liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

### **HOI and the Group**

Neither the Group nor any Covered Person is our agent or representative, and neither shall be liable for any acts or omissions of HOI, its agents, servants, or employees. Additionally, neither the Group, any Covered Person, nor HOI shall be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which HOI has made or hereafter makes arrangements for the provision of Covered Services. We are not the agent, servant, or representative of the Group or any Covered Person, and shall not be liable for any acts or omissions of the Group, its agents, servants, employees, any Covered Person, or any person or organization with which the Group has entered into any agreement or arrangement. By acceptance of coverage and benefits hereunder, you agree to the foregoing.

### **You and In-Network Providers**

The relationship between you and In-Network Providers shall be that of a health care Provider-patient relationship, in accordance with any applicable professional and ethical standards.

## **Right of Recovery**

Whenever the Plan has made payments in excess of the maximum provided for under this Booklet, we or Jacksonville Police Officers and Fire Fighters Health Insurance Trust will have the right to recover any such payments, to the extent of such excess, from you or any other person, plan, or organization that received such payments.

## **Right to Receive and Release Necessary Information**

In order to administer coverage and benefits, we may, without the consent of or notice to any person, plan, or organization, release to or obtain from any person, plan, or organization any information with respect to any person covered under this Booklet or an applicant for enrollment which we deem to be necessary.

## **Subrogation and Right of Recovery**

The provisions of this section apply to all current or former plan participants and also to the parents, guardian, or other representative of a dependent child who incurs claims and is or has been covered by the plan. The plan's right to recover (whether by subrogation or reimbursement) shall apply to the personal representative of your estate, your decedents, minors, and incompetent or disabled persons. "You" or "your" includes anyone on whose behalf the plan pays benefits. No adult Covered Person hereunder may assign any rights that it may have to recover medical expenses from any tortfeasor or other person or entity to any minor child or children of said adult covered person without the prior express written consent of the Plan.

The plan's right of subrogation or reimbursement, as set forth below, extend to all insurance coverage available to you due to an injury, illness or condition for which the plan has paid medical claims (including, but not limited to, liability coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers compensation coverage, no fault automobile coverage or any first party insurance coverage).

Your health plan is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the health plan's subrogation and reimbursement interest are fully satisfied.

### **Subrogation**

The right of subrogation means the plan is entitled to pursue any claims that you may have in order to recover the benefits paid by the plan. Immediately upon paying or providing any benefit under the plan, the plan shall be subrogated to (stand in the place of) all of your rights of recovery with respect to any claim or potential claim against any party, due to an injury, illness or condition to the full extent of benefits provided or to be provided by the Plan. The Plan may assert a claim or file suit in your name and take appropriate action to assert its subrogation claim, with or without your consent. The plan is not required to pay you part of any recovery it may obtain, even if it files suit in your name.

### **Reimbursement**

If you receive any payment as a result of an injury, illness or condition, you agree to reimburse the plan first from such payment for all amounts the plan has paid and will pay as a result of that injury, illness or condition, up to and including the full amount of your recovery.

### **Constructive Trust**

By accepting benefits (whether the payment of such benefits is made to you or made on your behalf to any provider) you agree that if you receive any payment as a result of an injury, illness or condition, you will serve as a constructive trustee over those funds. Failure to hold such funds in trust will be deemed a breach of your fiduciary duty to the plan. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the health plan's subrogation and reimbursement interest are fully satisfied.

### **Lien Rights**

Further, the plan will automatically have a lien to the extent of benefits paid by the plan for the treatment of the illness, injury or condition upon any recovery whether by settlement, judgment or otherwise, related to treatment for any illness, injury or condition for which the plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the plan

including, but not limited to, you, your representative or agent, and/or any other source that possessed or will possess funds representing the amount of benefits paid by the plan.

### **Assignment**

In order to secure the plan's recovery rights, you agree to assign to the plan any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of the plan's subrogation and reimbursement claims. This assignment allows the plan to pursue any claim you may have, whether or not you choose to pursue the claim.

### **First-Priority Claim**

By accepting benefits from the plan, you acknowledge that the plan's recovery rights are a first priority claim and are to be repaid to the plan before you receive any recovery for your damages. The plan shall be entitled to full reimbursement on a first-dollar basis from any payments, even if such payment to the plan will result in a recovery which is insufficient to make you whole or to compensate you in part or in whole for the damages sustained. The plan is not required to participate in or pay your court costs or attorney fees to any attorney you hire to pursue your damage claim.

### **Applicability to All Settlements and Judgments**

The terms of this entire subrogation and right of recovery provision shall apply and the plan is entitled to full recovery regardless of whether any liability for payment is admitted and regardless of whether the settlement or judgment identifies the medical benefits the plan provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The plan is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering, non-economic damages and/or general damages only. The plan's claim will not be reduced due to your own negligence.

### **Cooperation**

You agree to cooperate fully with the plan's efforts to recover benefits paid. It is your duty to notify the plan within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of your intention to pursue or investigate a claim to recover damages or obtain compensation due to your injury, illness or condition. You and your agents agree to provide the plan or its representative's notice of any recovery you or your agents obtain prior to receipt of such recovery funds or within 5 days if no notice was given prior to receipt. Further, you and your agents agree to provide notice prior to any disbursement of settlement or any other recovery funds obtained. You and your agents shall provide all information requested by the plan, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the plan may reasonably request and all documents related to or filed in personal injury litigation. Failure to provide this information, failure to assist the plan in pursuit of its subrogation rights or failure to reimburse the plan from any settlement or recovery you receive may result in the denial of any future benefit payments or claim until the plan is reimbursed in full, termination of your health benefits or the institution of court proceedings against you.

You shall do nothing to prejudice the plan's subrogation or recovery interest or prejudice the plan's ability to enforce the terms of this plan provision. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the plan or disbursement of any settlement proceeds or other recovery prior to fully satisfying the health plan's subrogation and reimbursement interest.

You acknowledge that the plan has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The plan reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

You acknowledge that the plan has notified you that it has the right pursuant to the Health Insurance Portability & Accountability Act (“HIPAA”), 42 U.S.C. Section 1301 et seq, to share your personal health information in exercising its subrogation and reimbursement rights.

### **Interpretation**

In the event that any claim is made that any part of this subrogation and right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the Claims Administrator for the plan shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

### **Jurisdiction**

By accepting benefits from the Plan, you agree that any court proceeding with respect to this provision may be brought in any court of competent jurisdiction as the plan may elect. By accepting such benefits, you hereby submit to each such jurisdiction, waiving whatever rights may correspond by reason of your present or future domicile. By accepting such benefits, you also agree to pay all attorneys’ fees the plan incurs in successful attempts to recover amounts the plan is entitled to under this section.

### **Third Party Beneficiary**

The terms and provisions of the Group Health Plan shall be binding solely upon, and inure solely to the benefit of Jacksonville Police Officers and Fire Fighters Health Insurance Trust and individuals covered under the terms of this Benefit Booklet, and no other person shall have any rights, interest or claims thereunder, or under this Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. Jacksonville Police Officers and Fire Fighters Health Insurance Trust hereby specifically expresses its intent that Providers that have not entered into contracts with HOI to participate in our Provider networks shall not be third-party beneficiaries under the terms of the Jacksonville Police Officers and Fire Fighters Health Insurance Trust’s Group Health Plan or this Booklet.

# COMPLAINT AND GRIEVANCE PROCESS

---

## Introduction

We have established a process for reviewing your Complaints and Grievances. The purpose of this process is to facilitate review of, among other things, your dissatisfaction with us, our administrative practices, coverage, benefit or payment decisions, or with the administrative practices and/or the quality of care provided by any independent In-Network Provider. The Complaint and Grievance Process also permits you or your Physician, or a person acting on your behalf, to expedite our review of certain types of Grievances. The process described in this section must be followed if you have a Complaint or Grievance.

## Informal Review

We encourage you to first attempt the informal resolution of any dissatisfaction by calling us. To advise us of a Complaint, you should first contact our customer service department, at the phone number is listed on your ID Card. A service associate, working with appropriate personnel, will review the Complaint within a reasonable time after its submission and attempt to resolve it to your satisfaction. You must provide all of the facts relevant to the Complaint to the service associate. If you do not provide all requested or relevant information, it may delay our review of the Complaint. Consequently, you must cooperate with us in our review of the matter. If you remain dissatisfied with our resolution of the Complaint, you may submit a Grievance in accordance with the Formal Review subsection below.

## Formal Review

You, a Provider who has been directly involved in your treatment or diagnosis acting on your behalf, a state agency, or another person designated in writing by you, may submit a Grievance.

In order to begin the formal review process, you may fill out a pre-printed form, write a letter or meet with us in person to explain the facts and circumstances relating to the Grievance. You should provide as much detail as possible and attach copies of any relevant documentation. You are not required to use our form, however, we strongly urge you to use this form, as it was designed to help facilitate logging, identification, processing, and tracking of the Grievance through the review process. Written requests for formal review must be sent to the address listed in the Telephone Numbers and Addresses subsection.

If you need assistance in preparing your Grievance, you may contact us for assistance. If you are hearing impaired you may contact us via TTY/TDD.

## Review of Grievances Involving Adverse Benefit Determination

A Grievance involving an Adverse Benefit Determination will be reviewed using the process described below. The Grievance must be submitted to us in writing for an internal Grievance within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve a Complaint or Grievance. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the Complaint or Grievance processed within the time frames set forth in this section.
2. We will offer to meet with you if you believe that such a meeting will help us resolve the Complaint or Grievance to your satisfaction, you may also initiate a request for such meeting by notifying us. You may elect to meet with us in person, by telephone conference call, or by video-conferencing (if facilities are available). We will not pay for your travel or lodging in connection with any such meeting. Appropriate arrangements will be made to allow telephone conferencing or video

conferencing to be held at our administrative offices within the Service Area. We will make these telephone or video arrangements with no additional charge to you.

3. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The Expedited Review process only applies to Pre-Service Claims or requests for extension of Concurrent Care Services made within 24 hours before the authorization for such Services expires. An expedited review will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
4. You may review pertinent documents upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
5. If any new or additional information is received from anyone other than you, a copy must be provided to you free of charge and as soon as possible and sufficiently in advance of the date on which the final adverse notice is to be provided to give you a reasonable opportunity to respond prior to that date.
6. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Booklet to your medical circumstances. This information is provided free of charge.
7. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.
8. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
9. Any independent medical consultant who reviews the Adverse Benefit Determination on our behalf will be identified upon request.
10. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method. You may call our expedited phone line at the number listed at the end of this section.
11. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.
12. If you wish to give someone else permission to file a Grievance for an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the Grievance. An Appointment of Representative form is not required if the Physician is requesting review of an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at [www.floridablue.com](http://www.floridablue.com) or by calling the customer service phone number on your ID Card.
13. The Internal Review Panel will review the Grievance and may make a decision based on medical records, additional information, and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
14. We will advise you of all Grievance decisions in writing, as outlined in the Timing of Our Grievance Review on Adverse Benefit Determinations subsection.
15. We will provide written confirmation of our decision concerning a Claim Involving Urgent Care within two working days or three calendar days, whichever is less, after providing notification of that decision.
16. If you are not satisfied with our decision, you have the right to an independent external review through an external review organization for certain Grievances, as described in the External Review subsection below.

17. The Panel that reviews appeals is composed of individuals who did not participate in the previous decision, nor are they subordinates of such individual(s).
18. You have the right to an independent external review through an external review organization for certain Grievances, as provided in the Patient Protection and Affordable Care Act of 2010.

### **Timing of Our Grievance Review on Adverse Benefit Determinations**

We will use our best efforts to review Grievances of Adverse Benefit Determinations and communicate the decision in accordance with the following time frames:

1. Pre-Service Claims: within 30 days of our receipt of the Grievance;
2. Post-Service Claims: within 60 days of our receipt of the Grievance; or
3. Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services): within 72 hours of our receipt of the request.

**Note:** The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

### **Exhaustion of Internal Appeals Process**

Generally, you must complete all appeal processes outlined in this Benefit Booklet before you can obtain independent external review or bring an action in litigation. However, if we do not strictly adhere to all claim determination and appeal requirements under applicable federal law, you are considered to have exhausted our appeal requirements (“Deemed Exhaustion”) and may proceed with independent external review unless a minor exception applies. Minor exceptions are allowed when failure to adhere was non-prejudicial; attributable to good cause or matters beyond our control; in the context of on-going good-faith exchange of information; and not reflective of a pattern or practice of non-compliance.

### **External Review**

You have a right to independent external review if we have denied your request for payment of a claim (in whole or in part) in the following circumstances:

1. Our decision involved a medical judgment including, but not limited to, a decision based on Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the Health Care Service or treatment you requested or a determination that the treatment is Experimental or Investigational;
2. Whether or not a Covered Service is subject to the federal No Surprises Act (H.R. 133, P.L. 116-260); and/or
3. The calculation of your Cost Sharing associated with a Covered Service that is subject to the federal No Surprises Act (H.R. 133, P.L. 116-260).

Your request will be reviewed by an independent third party with clinical and legal expertise (“External Reviewer”) who has no association with us. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID Card or visit [www.floridablue.com](http://www.floridablue.com). You may submit additional written comments to the External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. Submit your request in writing on the External Review Request form within four months after receipt of your denial to the below address:

Moreover, expedited external reviews may be requested for an admission, availability of care, continued stay or Health Care Service for which you received Emergency Services, but have not been discharged from a facility. Please be sure your treating Physician completes the appropriate form to initiate this request type. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID Card or visit [www.floridablue.com](http://www.floridablue.com). You are entitled to receive, upon written request and free of charge, reasonable access to, and copies of all documents relevant to your appeal, including a copy of the actual benefit provision, guideline protocol or other similar criterion on which the appeal decision was based.

### What is an HMO?

A health maintenance organization (HMO) is an alternative health care financing and/or delivery organization that either provides directly, or through arrangements made with other persons or entities, comprehensive health care coverage and benefits or services, or both, in exchange for a prepaid per capita or prepaid aggregate fixed sum.

While some HMOs are similar, not all HMOs operate or are organized in the same way. For example, an HMO can be organized and operate as a staff model, a group model, an IPA model or a network model.

### Types of HMOs

#### Staff and Group Model HMOs

In a staff model HMO, the doctors and other Providers rendering care are usually salaried employees of the HMO and generally provide care in a clinic setting rather than in their own personal offices. Group model HMOs, on the other hand, contract with large medical group practices to provide or arrange for most Health Care Services. Typically, the doctors in the medical groups own the HMO. In both these models, the HMO's doctors and other providers typically do not see patients covered by other third party payers or managed care organizations.

#### IPA Model HMOs

In an IPA model HMO, the HMO typically contracts with individual, independent doctors and/or a Physician organization, which may, in turn, contract services with additional doctors and Providers. Unlike the staff or group model HMOs, the IPA model HMO does not provide Health Care Services itself. Instead, it pays independent, qualified Providers to render health care to its members. The doctors in an IPA model HMO are not the agents or employees of the HMO; they typically practice in their own personal offices, and continue to see patients covered by other third party payers or managed care organizations.

**Note:** This description is not intended to be an exhaustive listing of all HMO organization models in use in the United States.

Health Options is an IPA Model HMO. **It is not a staff or group model HMO.** This means that the doctors and other Providers with whom we contract are independent contractors and not the employees or agents, actual or ostensible, of Health Options. Rather these independent doctors and Providers typically continue to see their own patients in their own personal offices or facilities and continue to see patients covered by other third party payers or managed care organizations.

## **Statement on Advance Directives**

The following information is provided in accordance with the Patient Self-Determination Act to advise you of your rights under Florida law to make decisions concerning your medical care, including your right to accept or refuse medical or surgical treatment, the right to prepare an advance directive, and explain our policy on advance directives. The information is general and is not intended as legal advice for specific needs. You are encouraged to consult with your attorney for specific advice.

Florida law recognizes your right as a competent adult to make an advance directive instructing your Physician to provide, withhold, or withdraw life-prolonging procedures, or to name someone to make treatment decisions for you in the event that you are found to be incompetent and suffering from a terminal Condition. Advance directives provide patients with a way to direct the course of their medical treatment even after they are no longer able to consciously participate in making their own health care decisions.

An "advance directive" is a witnessed oral or written statement which indicates your choices and preferences with respect to medical care made by you while you are still competent. An advance directive can address such issues as whether to provide any and all health care, including extraordinary life-prolonging procedures, whether to apply for Medicare, Medicaid or other health benefits, and with whom the health care Provider should consult in making treatment decisions

There are three types of documents recognized in Florida that are commonly used to express an individual's advance directives: a Living Will, a Health Care Surrogate Designation and a Durable Power of Attorney for Health Care.

A Living Will is a declaration of a person's desire that life-prolonging procedures be provided, withheld, or withdrawn in the event that the person is suffering from a terminal Condition and is not able to express his or her wishes. It does not become effective until the patient's Physician and one other Physician determine that the patient suffers from a terminal Condition and is incapable of making decisions.

Another common form of advance directive is the Health Care Surrogate Designation. When properly executed, a Health Care Surrogate Designation grants authority for the surrogate to make health care decisions on behalf of the patient in accordance with the patient's wishes. The surrogate's authority to make decisions is limited to the time when the patient is incapacitated and must be in accordance with what the patient would want if the patient was able to communicate his or her wishes. While there are some decisions the surrogate cannot make, by law, such as consent to abortion or electroshock therapy, any specific limits on the surrogate's power to make decisions should be clearly expressed in the Health Care Surrogate Designation document.

Finally, there is the Durable Power of Attorney for Health Care. This document, when properly executed, designates a person as the individual's attorney-in-fact to arrange for and consent to medical, therapeutic, and surgical procedures for the individual. This type of advance directive can relate to any medical Condition.

A suggested form of Living Will and Designation of Health Care Surrogate is contained in Chapter 765 of the Florida Statutes. There is no requirement that you have an advance directive and your health care Provider cannot condition treatment on whether or not you have one. Florida law provides that, when there is no advance directive, the following persons are authorized, in order of priority, to make health care decisions on behalf of the patient:

1. a judicially appointed guardian;
2. a spouse;
3. an adult child or a majority of the adult children who are reasonably available for consultation;

4. a parent;
5. siblings who are reasonably available for consultation;
6. an adult relative who has exhibited special care or concern, maintained regular contact, and is familiar with the person's activities, health and religious or moral beliefs;
7. a close friend who is an adult, has exhibited special care and concern for the person, and who gives the health care facility or the person's attending Physician an affidavit stating that he or she is a friend of the person who is willing to become involved in making health care decisions for that person and has had regular contact with the individual so as to be familiar with the person's activities, health, religious and moral beliefs.

Deciding whether to have an advance medical directive, and if so, the type and scope of the directive, is a complex understanding. It may be helpful for you to discuss advance directives with your spouse, family, friends, religious or spiritual advisor or attorney. The goal in creating an advance directive should be for a person to clearly state his or her wishes and ensure that the health care facility, Physician and whomever else will be faced with the task of carrying out those wishes knows what you would want.

It is our policy to recognize your right to make health care treatment decisions in accordance with your own personal beliefs. You have a right to decide whether or not to execute an advance directive to guide treatment decisions in the event you become unable to do so. We will not interfere with your decision. It is your responsibility to provide notification to your Providers that an advance directive exists. If you have a written advance directive, we recommend that you furnish your Providers with a copy so that it can be made a part of your medical record.

Florida law does not require a health care Provider or facility to commit any act which is contrary to the Provider's or facility's moral or ethical beliefs concerning life-prolonging procedures. If a Provider or facility in our network, due to an objection on the basis of conscience, would not implement your advance directive, you may request treatment from another Provider or facility.

Our Providers have varying practices regarding the implementation of an individual's advance directive, in accordance with state law. Therefore, we recommend that you have discussions about advance directives with your medical care givers, family members and other friends and advisors. Your Physician should be involved in the discussion and informed clearly and specifically of any decisions reached. Those decisions need to be revisited in light of the passage of time or changes in your medical Condition or environment.

Complaints concerning noncompliance with advance directives may be submitted to the following address:

Agency for Health Care Administration  
Bureau of Managed Health Care  
Building 1, Room 311  
2727 Mahan Drive  
Tallahassee, Florida 32308

We hope this information has been helpful to your understanding of your rights under the Patient Self-Determination Act and Florida law.

## **AWAY FROM HOME CARE®**

---

Away From Home Care (AFHC) Guest Membership is an out-of-area program sponsored by the Blue Cross Blue Shield Association (BCBSA). AFHC is available to you under the Group Health Plan through HOI, a participating Blue-sponsored HMO when the program's requirements are met. Guest Membership is defined as a courtesy membership for individuals who are temporarily residing outside of their Home HMO service area. Health Options, Inc. (HOI) is your Home HMO. For purposes of the Group Health Plan, you will be a guest member of the Host HMO and will be entitled to coverage and benefits under the terms of the Host HMO's benefit booklet.

Under AFHC, you receive a courtesy enrollment in a participating Host HMO and have access to a comprehensive range of benefits, including routine and preventive Services. You will receive the benefits of the Host HMO plan while in that HMO Plan's service area. You remain a Covered Plan Participant under your Home HMO under the Group Health Plan and are entitled to payment for Covered Services not payable under your AFHC Guest Membership under the terms of this Booklet. Should your coverage with your Home HMO terminate, you will no longer be eligible for AFHC coverage, and if you are then in this program your AFHC coverage will also be terminated.

The Host HMO pays the Provider the lowest available rate on a fee-for-service basis and then bills the Home HMO for reimbursement. You pay any applicable Cost Share amounts to the Provider in the Host Plan's service area at the time of Service.

### **Guest Application**

You must complete an AFHC Guest Application with the Home HMO, and then work with the Host HMO to locate a PCP in the Host Plan's service area. The AFHC Guest Application form is used to verify your eligibility and to provide the appropriate information for billing and reimbursement.

### **Guest Membership Types**

The types of Guest Memberships are based on your eligibility and the length of time that you will be out of the Home HMO service area. The three types of Guest Memberships are as follows:

#### **Long-Term Traveler**

This Guest Membership is available to Covered Persons that are away from home for at least 90 consecutive days (three months) but not more than 180 days (six months).

This Guest Membership is typically used for long-term work assignments or for a retiree with a dual residence. Home HMOs may limit the number of Long-Term Traveler Guest Memberships to two per year.

#### **Families Apart**

The Families Apart Guest Membership is available to Covered Dependents that do not reside in the Home HMO service area for 90 or more consecutive days. A Covered Plan Participant is not eligible for this type of Guest Membership.

To qualify for a Families Apart Guest Membership, the Covered Dependent must not be living with the Covered Plan Participant and must live in the service area of a Blue-Sponsored HMO.

There is no administrative time limit on the length of a Families Apart Guest Membership.

## **Student**

The Student Guest Membership is available to Covered Dependents that are out of the Home HMO Service Area for 90 or more consecutive days attending school.

To qualify for a Student Guest Membership, the Covered Dependent must not be living with the Covered Plan Participant and must live in the service area of a Blue-Sponsored HMO.

The Student Guest Membership is typically used for students while they are away at school. The student membership should terminate when the student returns to the Home HMO Service Area for the summer. There is no administrative time limit on the length of a Student Guest Membership.

Covered Dependents under a Student Guest Membership that seek care in a third HMO service area (out of the Home HMO area and out of the Host HMO area) should be referred back to HOI, the Home HMO.

## **Guest Membership Policies**

Host HMOs need enough time to process and set up Guest Memberships before the desired effective date. A 15-day notification period is provided for Host HMOs to complete the processing and setup of the Guest Membership. Covered Persons can be under only one Guest Membership at a time.

## **Guest Membership Renewals**

When your Guest Membership expires, you may apply for a separate, consecutive Guest Membership period to begin after your current one expires. The 15-day notification period applies to Guest Membership renewals, so it is important that you apply for renewal far enough in advance to avoid a lapse in Guest Membership.

Guest Membership renewals have the same requirements as initial Guest Memberships, including the 90-day out-of-area requirement. Renewals must be for a minimum of 90 or more consecutive days in length. A renewal requires that the Home HMO Guest Membership Coordinator re-verify eligibility, submit a new Guest Application form, obtain a new signature sticker and pay a new setup and renewal fee.

Renewals typically apply to Families Apart and Student Guest Memberships which commonly renew on an annual basis. A Long Term Traveler Guest Membership can also renew but you would need to re-qualify by being out of area for a minimum of 90 consecutive days from the date of the requested renewal, as well as meeting all other Home HMO eligibility requirements. You are not required to return to the Home HMO Service Area to qualify for a renewal.

## DEFINITIONS

---

The following definitions will help you understand the terms that are used in this Booklet, including the Schedule of Benefits and any Endorsements attached to this Booklet. As you read through this Booklet you can refer to this section; we have identified defined terms in the Booklet, the Schedule of Benefits and any Endorsements by capitalizing the first letter(s) of the term.

### A

**Accident** means an unintentional, unexpected event, other than the acute onset of a bodily infirmity or disease, which results in traumatic injury. This term does not include injuries caused by surgery or treatment for disease or illness.

**Accidental Dental Injury** means an injury to Sound Natural Teeth caused by a sudden, unintentional, and unexpected event or force. This term does not include injuries to the mouth, structures within the oral cavity, or injuries to natural teeth caused by biting or chewing, surgery, or treatment for a disease or illness.

**Administrative Services Agreement** or **ASA** means an agreement between Jacksonville Police Officers and Fire Fighters Health Insurance Trust and HOI. Under the Administrative Services Agreement, HOI provides claims processing and payment services, customer service, utilization review services, and access to HOI's network of independent contracting providers.

**Adoption or Adopt(ed)** means the act of creating a legal parent/child relationship where it did not exist, declaring that the child is legally the child of the adoptive parents and their heir-at-law and is entitled to all the rights and privileges and subject to all the obligations of a child born to such adoptive parents, or as defined by Florida law or a similar applicable law of another state.

**Adverse Benefit Determination** means any denial, reduction or termination of coverage, benefits, or payment (in whole or in part) under this Booklet in connection with:

1. a Pre-Service Claim or a Post-Service Claim;
2. a Concurrent Care Decision, as described in the CLAIMS PROCESSING section; or
3. Rescission of coverage, as described in the TERMINATION OF COVERAGE section.

**Allergy Treatment** means testing and desensitization therapy (e.g., injections), including cost of hyposensitization serum.

**Allowed Amount** means the maximum amount upon which payment will be based for Covered Services. The Allowed Amount may be changed at any time without notice to you or your consent.

1. In the case of an In-Network Provider located in the Service Area, this amount will be established in accordance with the applicable agreement between that Provider and HOI.
2. In the case of Out-of-Network Providers located outside of the Service Area who participate in the BlueCard Program, this amount will generally be established in accordance with the negotiated price that the Host Blue passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the BLUECARD PROGRAM section in the Benefit Booklet for more details.
3. In the case of an Out-of-Network Provider that has not entered into an agreement with HOI to provide access to a discount from the billed amount of that Provider for the specific Covered Services provided to you, the Allowed Amount will be the lesser of that Provider's actual billed amount for the

specific Covered Services or an amount established by HOI that may be based on several factors, including but not limited to: (i) payment for such Covered Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Covered Services by that Out-of-Network Provider and/or by other Providers, either in Florida or in other comparable market(s), that we determine are comparable to the Out-of-Network Provider that rendered the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating Providers in other Provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by us, with our Provider network strategies (e.g., does not result in payment that encourages Providers participating in an HOI network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific Covered Services under the BlueCard Program, the Allowed Amount for the specific Covered Services provided to you may be based upon the amount provided to HOI by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating providers in its geographic area for such Services.

4. In the case of Covered Services rendered by an Out-of-Network Provider where the Services are subject to either the federal No Surprises Act (H.R. 133, P.L. 116-260) or 641.513(5) F.S., then the allowed amount will be calculated in accordance with the applicable statute. For clarity, if the Provider is located in Florida and 641.513(5) F.S. applies, then the allowed amount calculated under 3. above is presumed to meet the requirements of 641.513 F.S.

In no event will the allowed amount be greater than the amount the Provider actually charges.

You may obtain an estimate of the allowed amount for particular Services by calling the customer service phone number on your ID Card. The fact that we may provide you with such information does not mean that the particular Service is a Covered Service. All terms and conditions included in this Booklet apply. You should refer to the WHAT IS COVERED? section of this Booklet and your Schedule of Benefits to determine what is covered and how much we will pay.

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with HOI to provide access to a discount from the billed amount of that Provider, the Allowed Amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services.

2. The study or investigation is conducted under an investigational new drug application reviewed by the Food and Drug Administration.
  3. The study or investigation is a drug trial that is exempt from having such an investigational new drug application.

In determining whether a person is receiving custodial care, consideration is given to the frequency, intensity and level of care and medical supervision required and furnished. A determination that care received is custodial is not based on the patient's diagnosis, type of Condition, degree of functional limitation, or rehabilitation potential.

## D

Reviews we perform of medical necessity may be based on comparative effectiveness research, where available, or on evidence showing lack of superiority of a particular Service or lack of difference in outcomes with respect to a particular Service. In performing medical necessity reviews, we may take into consideration and use cost data which may be proprietary.

It is important to remember that any review of medical necessity by us is solely for the purpose of determining coverage or benefits under this Booklet and not for the purpose of recommending or providing medical care. In this respect, we may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining, among other things, whether a Service provided or proposed meets the definition of medical necessity in this Booklet as determined by us. In applying the definition of medical necessity in this Booklet, we may apply our coverage and payment guidelines then in effect. You are free to obtain a Service even if we deny coverage because the Service is not medically necessary; however, you will be solely responsible for paying for the Service.
